LEHMAN HIGH SCHOOL ALUMNI NEWSLETTER

FROM THE PRESIDENT MARY KAY WENGER

The "Beat the January Blahs" fun night had approximately 125 people brave the extra cold evening and turn out for good food and conversation at the Elks Lodge. Harry Steineck and his helpers gave everyone an excellent bargain for their \$3. Monies from the silent auction amounted to over \$250 and has been earmarked for the Scholarship Fund that is in the works. Special thank you letters were sent to State Rep Johnnie Maier, Judge Julie Edwards, Senator Scott Oelslager, Congressman Regula, Judge Richard Kubilis, County Recorder Jane Vignos, Sheriff Bruce Umpleby and Court Referee Roberta Higley. Many additional gifts were donated by LHS alumni and all were appreciated but special thank you letters were sent to those who gave and were not members of the association. To all the rest of the donors a big "THANK YOU" and we left the postage costs in the treasury.

COMPUTER HELP NEEDED

The Association is trying to get a DATA BASE formulated and get all graduates into the system. This would help us with address labels, newsletters and directories. The biggest problem is trying to get enough helpers to get the entry work accomplished preferably on an IBM or compatible system. If anyone has a computer and/or printer they would like to donate it would be more than welcome. Anyone willing to help should contact Mary Kay Wenger at 492-4596, Jim Guest at 492-1440 or Bonnie at 477-2288.

L.H.S. HISTORY

Georgia Eshelman, a teacher at the current Lehman Middle School is working on her doctoral dissertation and the topic is history of L.H.S.

Can anyone tell her what happened to the Greek statues and the flower pots? If anyone has any other information they would like to contribute please drop her a note at the school at 1120 - 15th St. N.W., Canton, O. 44703

L.H.S. MEMORABILIA

The Association is seeking LHS memorabilia. Anyone getting cramped for closet space and desiring to rid themselves of old LHS items that were "the thing of the day" such as elevator tickets, photos, Lehman Journals, annuals, etc. can contact Mary Kay Wenger. We are in need of a historian for the association. We keep growing and should be getting documented as we go. Anyone who is willing to keep scrapbooks and lend a hand should call Mary Kay.

HOME NEEDED

It does not necessarily need to be a home but the Association is looking for a place to store items they are accumulating. If anyone knows of a small building or has an extra room they are not using, we are in need of space.

A building is desired that is large enough to hold board meetings but rent payments are out of the question at this time.

CONSTITUTION

The Constitution and Bylaws have been finalized and voted. Tim Elder and Arlan Shank did the majority of the work to get us moving toward our non-profit status needs and now Gene Conrad hopefully will be able to finalize our status.

There are red and gray alumni shirts available along with ceramic coffee mugs. New additions will be beverage mugs and another style shirt along with hats.
