## MONTE CARLO NIGHT

Due to recent changes in the legislation on events such as this, the Monte Carlo Night scheduled for May 17, 2003, has been postponed until the effects of the legislation are clarified.

## THANK YOU NOTES

Scholarship recipients continue to send thanks and comments like ...

- "As the oldest of six children and the first to graduate, my whole family is treading on new ground. I appreciate your help in my career goals becoming a reality and pray that I will succeed at college and make your confidence in my abilities a tangible fact. My family and I thank you wholeheartedly. May God richly bless you for your willingness to help others."
- "It is a great feeling to know that other people care to see young people succeed. My college experience would not be possible without the generous support of scholarships."
- "I am greatly appreciative of this award. I am so happy to have some assistance to help me pay for my education."
- "Thank you so much for the scholarship. It was greatly appreciated and went to good use."
- "The money will go toward my textbooks and it will help so much."

The appreciation from young people repeats over and over because so many generous alumni have sent a few extra dollars along with their dues renewal. We continue to have the assurance that we can continue these scholarships.

Scholarships in the amount of \$54,500 have been awarded over the past ten years. Not too bad for a young group.

## MESSAGE FROM THE PRESIDENT

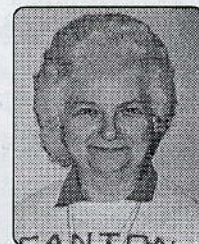

Congratulations and thank you, you paid your dues early in 2003 and have received a copy of the April issue of the *Journal*. If you make a comment to a friend about an item in the *Journal* and they state they did not get a copy, simply ask them if they remembered to pay their dues. We did send out postcards to those who had not paid, giving them another chance and the response has been great and they too will get this issue. It simply has become too costly to send to those who fail to respond and it was not fair to those who do pay their dues annually.

We will place a box on the renewal forms next year asking alumni if they want to receive their gray membership card. I'm not sure why I'm keeping all those little gray cards, but every once in a while I look at them and feel pleased remembering we have a great association and how far we have come in these past ten years.

The Polar Party was a success again this year, and the money gained added approximately three scholarships to the fund. We're hoping to give 25 away at the banquet in July. There is still time to request an application and the rules are laid out in another article in the *Journal*.

As I close for this issue, thoughts go out to the young people who are serving in the armed forces of this great country. Many of them are facing challenges they have never known, so we ask that our readers keep them in thoughts and prayers, for none of us want to lose our children or grandchildren for any reason in this country or across the water.

'Til next time ...

## REGRET TO INFORM ...

... is a little different this *Journal*. The lady who has been buying used books from us had to stop the program due to some unscrupulous person or persons who found a way to technically steal from her ebay selling site. It was good while it lasted but she can no longer accept books at this time. Too bad for her and too bad for us as we were on our way to another scholarship compliments of this program.

The Association tries to send or take a single red rose tied with red and gray ribbons to the funeral home of Lehman alumni who die locally if we know about the passing. Often the school is not mentioned and we miss the opportunity to remember they were our classmates. Please notify an Alumni Board member when possible. For out of town alumni, we send a card to a family member when possible.

## LOOKING BACK

A board member was going through some treasures and found a *Repository* dated October 8, 1981. A little yellowed, but what caught her eye was the headline "MEMORY OF CANTON COACH HONORED BY HOUSE ACTION." It was reported that the Ohio House of Representatives passed unanimously a Resolution honoring the memory of Canton's long-time coach Jim Robinson who had died in September of that year. Part of the wording in the resolution sponsored by State Representative Charles "Red" Ash read: "James P. Robinson is proclaimed the father of the North-South All-Star football game and accompanying clinic ... he had a paramount concern for young people ... gave the best possible guidance for his players on and off the field ... he was a remarkable individual."

"We in the House voted for it out of respect for the man and his diligence as far as the youth of Ohio were concerned," stated Ash.

A lot of alumni will recall being coached by Robinson, but I can recall his comments at an assembly when he came to Lehman stating, "if you can't beat 'em, join 'em."

## NEW SCHOOL PROGRESS

For those who live away from the Canton area, the new school that will be called "Lehman" is progressing and another school called "Worley" is about to be opened. The new portion of Worley is finished and the old about to be demolished. Several former students went to the open house held March 22 for one last look at the old, take part in a remembrance session, then take a tour of the new school. The principal stated they were calling it a reunion rather than a last look.

## NAMES IN THE NEWS

**MIKE KAZES '74** is the owner of the AA Executive Party Place and has a catering business to go with it. He was recently recognized in the *Repository* for his marketing talents such as calling his business AA Executive Catering 20 years ago so it would be listed first in the telephone book. He stated the only way to succeed long term is to offer a good product and service. Mike is also one of our regular advertisers who helps support the *Lehman Journal*.

**JAMES E. SMITH '56** retired from the Canton Fire Department after 40 years of service.

**FRANK FLEISCHER '48** is probably remembered more for his love of the drums and Fleischer Shoe Store than the "Chocolate Sassies" candy for which he and his wife **Barbara (Rankin) Fleischer '52** were recently recognized in the *Repository*. The hand made chocolates were raved about by the *Repository* writer.

**JOE TAGGART** is probably better known for Taggarts Ice Cream than his love of racing boats. Joe and one of his racing boats were recently remembered in the *Repository* in a "Moment in Time" column. Many will remember his children Ann, Tom and John Taggart.

**SHIRLEY '51** and **JACK GISSINER '52** recently celebrated their 50th anniversary. Shirley was the former Shirley Carr.

**NEIL HEDRICK '75** of the Ohio State Highway Patrol, a pistol-shooting medalist and Trooper of the Year in 1995, was suspended from the patrol, not for bad behavior, but because he did not meet the weight requirement for being over 40 years of age. He has one year to drop the weight. How many former graduates would lose their job because they did not weigh the same as they did 20 years earlier. He is about 15 months short of retirement according to *Repository* reports.

**DIANNE TALARICO '75** continues to try to improve the Canton City School System for youngsters and her name appears in the newspaper quite often.

**JACK GREENWALD '45** won two events in his age division at the Canadian/Ontario Masters Indoor Track and Field Championships at York University near Toronto. He is a resident of Seville, Ohio, and trains at the Cloverleaf Recreation Center. He was the subject of a lengthy article on his accomplishments in the Medina (Ohio) *Gazette*.

**CLAUDIA (BURGESS) SELBY '75**, **KARL SHANK '41**, **MARY KAY WENGER '39** and **ELEANOR "NICKIE" (LANG) WINGERT '44** were pictured on the social page of the *Repository* when the photographer showed up at the Polar Party.

## LEHMAN CHESS TEAM DOES IT AGAIN!

Students from the Lehman Middle School went to Columbus and came home with the championship trophy again.

The Alumni Association donated \$300 to help cover expenses for the team this year. Coach Wuyanbu Zutali had talked with an alumni working our booth at the Stark County Fair and mentioned they could use some help with expenses.

He stated at our March meeting he often get the response, "Sure, we'll help," and that is the end of it, but he followed through and sent a letter requesting a donation of any amount to help but \$300 would probably cover the cost of lodging for the students. When the Lehman secretary called to tell him there was a check waiting, he said his heart almost fell out on the floor. He called several times to express gratitude and then came to the meeting to tell us again. Zutali founded the chess organization in 1992 with a goal to promote chess in schools as an educational tool.

Isn't it great there are some trophies available for students for a sport that doesn't have a ball in it!

## GENERAL MEMBERSHIP MEETING

The next general membership meeting of the Canton Lehman Alumni Association will be held Tuesday, April 29, 2003, at the Canton Memorial Fieldhouse. We will meet at 6:45 p.m. for a tour of the Fieldhouse, hosted by Tom Brabson of the Fieldhouse staff, with the meeting to follow. Refreshments will be served. Come join us to see the recent changes and improvements at the Fieldhouse.

## FOR THE PERSON WHO DOESN'T NEED ANYTHING

The class of 1946 "Lunch Bunch" for the last several years has donated to the Scholarship Fund instead of exchanging Christmas gifts. If there are other Lehman "lunch bunch" groups, perhaps they could come up with something similar next year. The class of 1946 donated \$100. Thanks, ladies, from the Lehman Alumni Board of Directors and all of the students these scholarship fund donations have assisted.

## MEMORIAL DAY PARADE

Riders and walkers are needed for the parade to be held May 26. Please contact Joanne Moody at 330-875-8477 if you would like to join us in the Parade.

## REMEMBER WHEN ...

There was a band which played great music at Moonlight Ballroom led by a young man with the name of **Charlie Pickens**. Charlie graduated in the Lehman High School class of 1940 and just celebrated his 81st birthday on March 17, 2003. Perhaps alumni who recall those days of good music would like to send him a belated birthday greeting together with a note of remembrance. His address is: Charlie Pickens, Wexner Heritage Village, 1151 College Avenue, Columbus, OH 43209.

## VOLUNTEERS NEEDED

Mr. Bernie Caldwell came to the March general membership meeting to tell us about what may be needed at the new school. He is seeking volunteers to help at sports events, tutoring children and hopefully to find a way to get a running track at the new school.

Lehman currently has 650 students enrolled, and he promoted the new school and how it will make students have pride in their school. He also commented computers will be in place in the library and take up some of the space that used to be allotted to books. Most Lehman alumni will remember the library was on the second floor of Lehman but it is now on the first floor around the corner from the principal's office.

Anyone who would like to volunteer to help students in one way or another should contact Mr. Caldwell at Lehman where he teaches Physical Education.

Lehman Middle School students were scheduled to have a spring concert on April 11 and 12. The auditorium is still a great place to perform.
