The Alumni Association is reinstituting an old favorite this year - the Pasta Dinner. MESSAGE FROM THE PRESIDENT

Greetings Fellow Alumni:

Unfortunately, one of our "Founding Members" died since publication of the last *Journal*, Mary Kay Wenger. She was an extremely valuable asset to the Association and worked for it until the day she died, as she maintained files for the Association. I first met her at the Canton Christian Home where my mother and aunt lived. My sister still lives there and fell last fall and broke a bone. Mary Kay, although in poor health, was kind enough to assist my sister during that time. Mary Kay will be missed by a multitude of people.

One the brighter side, the Polar Party was a "rip roaring" success. A special thanks to Joanne Moody and her crew, Claudia Selby, Jack Dillon, Nickie Wingert and Kitty McClelland, and all the rest of the Trustees for getting the items for the Silent Auction and in getting the large number of Alumni and friends to attend. Most gratifying was the high noise level at the function. It was hard to make announcements due to the "swapping of memories" by the attendees. It was a great night. Also the scholarship fund was greatly enhanced.

During this last period, we received a request from Canton Lehman for new books for the library. When they moved into the new building, they found that most of the books in the old library were very old. There had been no updating for years (most of them had been there when I attended in the early Fifties). To help them update the book inventory, the board donated \$250 to Canton Lehman. In addition, we put out a call for new books. Thanks to Tim Elder's ('57) wife, Judy, and Mary Alice Smith Jones ('51), a number of books have been donated. We received letters of thanks from the librarian, Carrol Ostrum, and from the Canton School Superintendent, Dianne Talarico.

A TRIBUTE TO MARY KAY ...

Although the majority of people in Canton it seemed knew Mark Kay, I never had the luck to know her until the Alumni Association was formed. Others knew her from school, Girl Scouts, church, card clubs or a number of other organizations. She was a cheerleader and wrote one of the first cheers for Lehman that stayed for years after she had graduated in the school's second class, the Class of 1939. There was no school like Lehman in her estimation.

She was an honorary cheerleader for the recent All City Nights the alumni associations had and would lead a cheer anytime she was asked. She might even finish by standing on her head, which she could do until the last couple of years when she was told not to do so anymore.

She was feisty to the end which came too quickly, and she is missed by those who knew her. Rest in Peace, Mary Kathryn Johns-Miller-Wenger, and thanks for the memories.

Joanne Moody, Editor

MESSAGE FROM THE PRESIDENT...

— from page 1

During the next period, the board will concentrate on one of the most important functions of this Association – the processing of the scholarship requests and the selection and awarding of the scholarships. We will award 25 scholarships of \$500. Our scholarship committee, headed by Claudia Selby, will evaluate the request. Tim Elder maintains the books, making sure that all the forms have been completed correctly and that they qualify for a scholarship. Since this is the Association's most important task, we want to make sure that all the applications are correct and all of the necessary information is received. For example, school grades must come from the current school. This takes time, so if you know someone who would like to be considered for a scholarship and is a Lehman High School Alumnus or a direct descendant, they should request an application by writing to: Lehman Alumni Association, Scholarship Committee, P.O. Box 498, Canton, OH 44705-7498, enclosing a stamped self-addressed envelope. There is a requirement that the alumnus be a member for two consecutive years. The application must be totally completed and postmarked by May 1, 2005, so time is running out. If you have any questions, please give Tim Elder a call at 330-875-2323 or write to him c/o the above post office box.

Speaking of scholarships, donations to the funds have been gratifying. A number have donated in the memory of individuals such as Jerry Francis, Arlan Shank and Mary Kay Wenger. Each \$500 received supports a granting of a scholarship. We thank you for the continual support. Our next scheduled event is the Pasta Dinner to be held at the Faith United Methodist church, 300 9th Street NW, North Canton, on May 13, 2005 from 5:00 to 7:00 pm. Bring some friends and enjoy all the spaghetti you can eat. Tickets will be \$6.00 and can be obtained from any of the Board Members.

On Sunday, June 12, 2005, we are going to have an Ice Cream Social at 2:00 pm at one of the old Lehman hangouts, Taggarts on Fulton Road. Mark your calendars. Come and enjoy eating ice cream and swapping stories.

We are starting a new project this year by having a raffle for a HOG. Yes, a pig, which will be raised by a 4-H member. To help support the Stark County Fair and the 4-H Clubs throughout Stark County, we will buy a pig at the Stark County Fair that has been raised by a 4-H member. The money for the pig will go to the 4-H member. The winner will be able to tell us how they want it cut, wrapped and frozen by Kiko Meats for pickup. The drawing will be held in our booth at the Stark County Fair. Tickets will be \$2 each or three for \$5. They can

POLAR PARTY IS SUCCESSFUL EVENT

Bruce Williamson '76 and Alumni Association President Larry Taylor '51 admire the cake at the Polar Party in January.

Photo by Joanne Moody

It was a great evening for a Polar Party, and the 103 dinners served were 17 more than anticipated, but Mr. Mike's group did a great job, and we did not run out of food. Perhaps some alumni felt just one more person would not make a difference, but one plus one plus one etc. did add up. "No problem," said Jim Burrshire of Windsor Hall. Next year we will use the "big" room so we hope everyone who came this year will return and bring a few more friends. The DJ did his usual good job and even brought four more guests, who had reservations, and seemed to have a good time while spending their money.

The guests did not hesitate to part with their dollars, and we raised enough to guarantee four scholarships. Not only that, members of the family of one of our deceased alumni stopped by to give some donations to our silent auction and also gave a check for \$500 for the scholarship fund. This guarantees one scholarship will be given in memory of James Arlan Shank '45 who served as an officer in the alumni association for several years.

Keep in mind anyone can donate items for the silent auction so alumni who see a great item on sale might want to keep the Polar Party in mind and purchase this for a donation next January. We can never say what we might have because we never know until early January what our board members have accumulated throughout the year.

THANK YOU NOTES

DESIRAE McBRIDE sent a note of thanks for her scholarship. She plans to graduate this spring from the University of Akron. She plans to seek a career in pharmaceutical or other health related sales that has come from her love of science.

PAM SYERS, VANNY RAPP and JOHN MILLER, the children of MARY KAY WENGER, sent a note of thanks for the thoughtfulness of alumni during their time of sorrow.

A SPECIAL THANK YOU letter was received from Canton City Schools Superintendent Dianne Talarico, expressing her thanks for the donation of \$250 that was given to the new Lehman Middle School to purchase books for their library. Dianne presses for students to read 20 minutes per day and thanks us for being a positive role model for the Lehman students.

So many of the book at the Lehman High School library were so outdated they were left behind. Many were from the early years as a High School, and these were supposed to be reference books.

Judy Elder, wife of Board member Tim Elder '57, had been accumulating books she planned to sell on E-Bay but changed her mind and offered them to the library. President Larry Taylor made arrangements to get Judy and librarian Carrol Ostrum together, and she took 90% of the books to add to the library.

If any alumni has extra books they would like to donate, they should contact Carrol Ostrum, the librarian at Lehman Middle School, to see if they would be suitable for the library for middle school students. She particularly would like historical novels and books suitable for this age group.

We would also like to thank Carrol for her very nice thank you note for the donation made by the Alumni Association to the library.
