PASTA DINNER IS SET FOR MAY

The Alumni Association will hold its annual Pasta Dinner on May 12, 2006, at the Faith United Methodist Church on 9th Street NW in North Canton at 6:00 pm. Tickets are only \$7.00 each and may be obtained from any board member or by calling President Larry Taylor at 330-494-9519.

SCHOLARSHIP DEADLINE REMINDER

May 1, 2006, is the deadline for submitting totally completed requests for the Alumni Association Scholarships to be awarded in July. If you have a direct descendant who is either completing high school and planning higher education or is already attending a technical college, college or university, and you were an Association member in 2005 and have paid your 2006 dues, if he or she has not already done so, have your descendant expediently send an application request to the Alumni Association at Post Office Box 7498, Canton, OH 44705-7498, complete with a stamped self-addressed envelope or download these from cantonlehman.com. We will be awarding 30 scholarships this year, so there are more opportunities than ever for your descendant to obtain a scholarship to assist in financing his or her higher education.

MESSAGE FROM THE PRESIDENT

Greetings, Fellow Alumni:

First, I am happy to announce that the Canton Lehman High School Alumni Association has been granted exemption from Federal income tax under section 501(c) (3) of the Internal Revenue Code. The effective Date of Exemption is November 10, 2005. Contributions are deductible under section 170 of the code. Donors must have written substantiation from us for any charitable contribution of \$250 or more. It is the donor's responsibility to obtain written substantiation from this organization, but we are in the process of establishing procedures to automatically provide a written statement to anyone donating more than \$250. This should be in place before April.

As indicated in the article on the Polar Party, it was another very successful event. A special thanks to all of the Trustees for getting the items for the "Silent Auction" and in getting the large number of Alumni and friends to attend the event. Most gratifying was the high noise level at the function. It was hard to make announcements due to the "swapping of memories" by the attendees. It was a great night, and the scholarship fund was greatly enhanced.

During the next period the board will concentrate on one of the most important functions of this Association, processing of the scholarship requests and the selection and awarding of the scholarships. Due to the tremendously successful Polar Party and to the generous donations from Alumni Association members and friends, we have raised the number of scholarships to be awarded from 25 to 30 Scholarships each of \$500. Our scholarship committee, headed by Claudia Selby, will be evaluating the requests. Tim Elder maintains the books, making sure that all the forms have been completed correctly and that applicants fully qualify. Since this is the Association's most important task, we want to make sure that all the applications are correct and all of the necessary information is received. For example, school grades must come from the current school. This takes time, so if you know someone who would like to be considered for a scholarship and is a Lehman High School Alumnus or a direct descendant, they should request an application by writing the Lehman Alumni Association, Scholarship Committee, P.O. Box 7498, Canton, OH 44705-7498, enclosing a stamped self-addressed envelope. There is a requirement that the alumnus be a member for two

Corrections from the obituaries in the
January 2006 Journal

The following names were misspelled:

Harry Coyle '47
Jack C. Williams '47

The Association tries to send or take a single red rose tied with red and gray ribbons to the funeral home of Lehman Alumni who die locally if we know about the passing. Often the school is not mentioned and we miss the opportunity to remember they were our classmates. Please notify an Alumni Board member when possible. For out of town alumni, we send a card to a family member when possible.

consecutive years. The application must be totally completed by May 1, 2006, so time is running out. If you have any questions, please give Tim Elder a call at 330-875-2323 or write to him c/o the Association post office box.

Speaking of scholarships, donations to the funds have been gratifying. During the first two months, more money has been donated than membership fees received. Each \$500 received supports the granting of a scholarship. We thank you for the continual support. Special thanks to Nancy Morse Sonner for her contribution and to Lois, Ann and Lyn Shank, who in the memory of Arlan Shank, provided funds. We also would like to express our sincere appreciation to Norman and Caroline Jackson for their generous donation. Because of the kindness and generosity of our Lehman Alumni, we are able to award five additional scholarships this year. Keep up the good work.

Our next scheduled event is the Pasta Dinner to be held at the Faith Methodist Church on 9th Street NW in North Canton on May 12, 2006, at six o'clock. Bring some friends and enjoy all the spaghetti you can eat. Tickets are \$7.00 and can be obtained from any of the Board Members or call me at 330-494-9519.

On Sunday, June 25, 2006, we are going to have an Ice Cream Social at 2 pm at one of the old Lehman hangouts, Taggarts on Fulton Road. Mark your calendars. Come and enjoy eating ice cream and swapping stories.

We will again conduct a raffle during the Fair Week in September for a prize of \$250 or a 4-H pig. To help support the Stark County Fair and the 4-H clubs throughout Stark County, we will buy a pig at the Stark County Fair that has been raised by a 4-H member. The money for the pig will go to the 4-H member. The winner will then decide if they want \$250 in cash

JOE GILHOUSEN '66 is being honored by having the GlenOak High School baseball field at the Schneider Avenue campus renamed Joe Gilhouse Field. He will be in his 35th year of coaching at the suburban Canton school this spring and led the Golden Eagles to state baseball championships in 1995 and 1996.

We are in need of someone who will volunteer to keep our Membership Records. This person should have computer experience. He or she does not need to be a Trustee, but it would help. Please contact me if you are available to assist your Association.

We would like to thank Mario Mattachione, husband of Virginia Meyer Mattachione (Class of 1949), for replacing an old light fixture in our storage room with a new light fixture. Mario was Principal at North Canton Schools before retirement. He is now working as an electrician should anyone need a good electrician. I should add that use of the storage room and meeting room is generously donated to us by the Spiker-Foster-Shriver Funeral Home on West Tuscarawas in Canton. Claude (Skip) Shriver is a member of the Class of 1971.

2006 POLAR PARTY IS A BIG SUCCESS

The "POLAR PARTY" this year was another "RIP-ROARING" success. First, the number of donated gifts greatly exceeded our expectations. We had over 180 different items to auction in the Silent Auction. The problem was where were we going to put all of the items? Moving to the large Banquet Room at the Windsor Hall solved that. Our host for the event, Jim Burrshire, was, as usual, extremely helpful in providing use of additional tables and anything else we required and also in serving as the bartender. The next problem was the time we had in getting set up before the events. With all these gifts, we would be hard pressed to get ready. To my great relief, the Board Members showed up in force, rolled up their sleeves (if they had sleeves), and we were ready for the event. The third problem was what was I going to do with the gifts left over after the auction? Believe it or not, all items were purchased by the attendees. We did not have a single item left over. What a relief.

Now to the event. We had over 100 alumni and friends attend which brought in over \$5,000 before expenses. Astonishing! After expenses (meals and DJ), we cleared over \$3,000. That's six scholarships. We conducted basket sales in addition to the Silent Auction. We had four very large baskets donated, and they brought over \$400. Waggoner's Chocolates on Main Street in North Canton donated a very large basket filled with chocolate items. There must have been over \$100 in chocolate. Beyesly's also on Main Street in North Canton donated another very large basket. Actually they donated two baskets, but we put one in the Silent Auction. Barbara Udeck donated another very large basket with all the fixings for an Italian pasta dinner for a horde of people. In addition, I would like to personally thank Rose Maier who annually crochets an afghan for our auction. Even though she personally was going through very trying times, she again donated the afghan for the auction which contributed \$85 to the scholarship fund.

But I guess the most gratifying moment was that midway through the events, I looked over the audience and found that one could hardly hear the music because of all the conversations that were going on in the hall. That alone makes its worth the effort.

Now to the thank you's for the gifts. First, because of the vast numbers of Alumni who donated gifts and the fear of missing someone, I would like to THANK YOU all as a group. The number was far too great to list all. But I must say that the Board Members did more than their share. In addition, The Canton Lehman High School Alumni Association would like to express our appreciation to the following individuals and businesses for their support. (In turn, we should support them whenever possible).

- Mary Kay Wenger Estate

WE ARE ON THE INTERNET

For a number of years, the Class of 1970 has had a site on the Internet for CANTON LEHMAN ALUMNI.

Marilyn Niamtu Holbrook (Class of 1970) has been the main driving force behind this site. She has been kind enough to allow us space on that site that has been helpful in providing a line of communications with the Lehman alumni. For example, you can obtain the forms for scholarship applications. Or you can e-mail information to us on that site. If you have any questions or suggestions, you can use this feature to reach us.

This site can be reached by typing in
www.cantonlehman.com.

This will take you to the main page where there is one e-mail roster for all alumni. The names are listed alphabetically with the last names first, maiden names first for the ladies, where applicable, and the graduation year noted after the name.

There is a message board up and is fairly simple to use. After you post a message or a reply – simply fill in the code number at the bottom of the screen and check the little box agreeing to the terms and conditions of the forum.

There is an area which has a number of photos. There is a Memoriam area where deaths are listed.

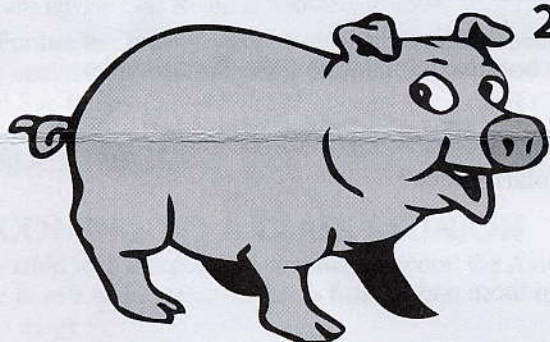

You may add additional information by contacting either Marilyn at 330-492-8820 or the Canton Lehman Alumni Association at our Post Office Box.

With her help, we are planning to add a number of items to that site in the near future. The first large effort will be to increase the Memoriam page by adding the Alumni Association's database of deceased alumni. It is very large and there may be errors so please review this database and provide any corrections and additions that you may have. A number of classes have provided us with this information. Not all classes have responded so if you have a list, please send it to us at CANTON LEHMAN ALUMNI ASSOCIATION, PO BOX 8175, CANTON, OHIO 44711, and we will add this to our database.

In addition, we plan to add an area where you can purchase via the site the merchandise that we have for sale. Profits from all sales will be used to support our Scholarship Fund.

We also plan on having an area for Reunion announcements.

Please let us know of any suggestions that you may have to improve this site.
