## \$4000 IN SCHOLARSHIPS AWARDED!

### FIRST SCHOLARSHIPS

The Scholarship committee consisting of Chairman Tim Elder, and helpers Bev Smith and Wayne Arnold searched through applicants records to confirm they met requirements as set forth in the by-laws of the Association.

Each applicant was assigned a number with names known only to the Chairman in order to eliminate bias and start each applicant on an equal footing.

It was determined that eight of the applicants had met all of the requirements on their applications, and all eight received a grant ranging from \$250 to \$750.

Anyone desiring to apply for the 1996 grants should send in their request now. Students may apply each year, although they will not necessarily receive repeated grants each year. All applications will be reviewed on their own merit. It is stipulated that someone in the applicant's family must be a member of the association in order to receive a grant. They are given to Lehman H.S. graduates or the lineal descendants of Lehman graduates or attendees.

## FROM THE OUTGOING PRESIDENT

To the Lehman Alumni Association...

Just a few words of thanks to all who helped make the 1995 year a success for the organization. My main objective when I took office at the first of the year, was to see that the Association gave its first scholarship in 1995. Well, we not only gave the first, but seven others for a total of \$4,000.00. Of course the All-City Basketball Night was largely responsible, as it provided 3000 of those dollars.

We had purposely NOT held any large fund raisers, so as to first secure our non-profit status with the government. I am also proud of the more than 825 individuals who have joined our organization. They have encouraged those in the offices to continue their hard work to build our association.

Because I do not want to omit anyone, I will only say "Thank You" to all my fellow officers and those many individuals who helped with

our activities. You KNOW who you are! I hope everyone will continue to support the Canton Lehman Alumni Association with your membership, attendance at meetings, activities, and All-City Night. I also hope that you will spread the word about the association and urge others to join our group.

Your yearly dues help to provide funds for scholarships, publications, and mailings. Thanks to all, and I hope to see you at our 1996 activities. Best wishes to our new president, Joanne Moody. I hope everyone will continue to give her the kind of support you gave me in the past year.

Thanks Again!

.....Harry Steineck

## REPORTS FROM REUNIONS HELD IN 1995

After 50 years, the class wit is coming home to make his classmates chuckle once again. Allen Newman arrived in Canton for the weekend reunion of the Lehman High School Class of 1945.

Newman, who, along with Renee Kauffmann, was voted class wit, has led a colorful life in California, where he became vice president of the Gene Autry owned Golden West Broadcasting. He now teaches at the College of Marin, where he encourages students to write about their lives. Examples of his work are being collected now for a book Newman is planning to publish. Each vignette focuses on a personal experience, and Newman says he has plenty of memories of Canton and its residents.

"Paul Hartung and Corky Milbrodt come to mind immediately. And George Sinclair, whose dad owned Meyers Lake," said Newman. The Sinclair connection and the popularity of the park during their youth prompted reunion planners to focus on reminiscences about their experiences there. The party weekend began on a Friday night at Shady Hollow Country Club and the theme was Meyers Lake. Members rented the Laughing Lady and Esmeralda, the Fortune Teller, as well as a photo booth. The entryway was festooned with pots of petunias, the calling cards of the park. Then Saturday morning, class members gathered at the Meyers Lake home of Kaye and Doyle Miller for boat rides around the lake. Saturday night was reserved for a Glenmoor

gala. (article reprinted from the Repository).

Over 80 classmates of the Lehman High School class of 1975, gathered together in July to celebrate their 20 year reunion. The festivities began on Friday night with a Get Reacquainted Night at Eastbury Bowling Center. The evening was hosted by class member Kevin Neading. Class members also participated in a Golf Outing held Saturday afternoon. The highlight of the weekend was a dinner and dance held on Saturday night at the Centre Place in the former McKinley High School.

Tom Myers lead the reunion committee members, Carol Piccari-Esber, Kevin Neading, Bill Murphy, Hugh McDonald, Jake Hupp, Kim George, Kathy Delap-Fraley, Ed Deierling and Lori Brown, who worked very hard to put together a weekend that was enjoyed by all.

Is your class having a reunion this year? Send any reunion news for publication to: Lehman Alumni Association, P.O. Box 8175, Canton, Ohio 44711.

## UPDATE ROSTERS

Chairmen of class reunions are asked to send updated class rosters after each reunion. We will be doing additional mailings this year to encourage past graduates who are not members of the association to join our group and keep informed of what is happening at the former L.H.S.

## WHERE DID IT GO ???

Lehman Alumni Association is confronted with a mystery. The 25th Anniversary of Lehman's 1971 Ohio State Basketball Championship is coming in 1996. Since the closing of Lehman as a senior high school, all of the trophies, including the 1971 State Championship trophy, have disappeared. The Alumni Association would appreciate any and all help in locating these trophies.

## ANSWERS FROM MEMBERS

### QUESTION:

I would be interested in learning  
how many Lehman grads  
returned to those hallowed halls  
as teachers. I know — Jack  
Lothamer, Chet Fair, Bev Smith,  
Dick Myser, Kent Smith and  
myself. I know there are more.  
Dick Barnes was principal while  
I was there, I believe he is a grad.  
Thanks for any interest you may  
have in this subject.

Verda Schwitzgable Winslow '42

### ANSWER:

Just a quick reply to Verda  
Winslow's query in the last  
Lehman Alumni newsletter.  
There have been a number of  
Lehman grads who came back to  
serve on the Lehman staff.

Lehman Junior High grads who  
have returned include Karen  
Terembes McCarthy (Language  
Arts teacher at present);  
Christen Schott (Language Arts  
teacher at present); Ted El Faye  
(Math and Science teacher  
presently); and Paula Battista  
Pedrotty (former Lehman  
teacher who is now at McKinley).  
Lehman High grads who have  
served include Bob Nearing,  
class of 1964 who has taught  
Social Studies at Lehman High  
and served as principal of  
Lehman Junior High and  
Lehman Middle School for 9  
years; Liz Richards, class of 1965  
who has been a counselor at  
Lehman for 26 years; Raymond  
(Mike) Wesson, class of 1966  
who is in his 19th year here  
teaching Art; and Nancy Clouse,  
class of 1972 who taught Science  
at the junior high and is presently  
in the same department at  
McKinley H.S.

Nineteen Lehman High School alumni sporting the scarlet and gray colors attended the All City Alumni Night held in the old McKinley High School. Over one hundred alumni attended wearing school colors.

Lincoln High School alumni members started the tradition three years ago by holding a rally in the former Lincoln High School and inviting members from the other schools to attend. They then passed the challenge to Timken High School who hosted the 1994 event and the McKinley Alumni Association hosted the 1995 event. Lehman will be the host in 1996 and more information will be forthcoming at a later date, but plan to

Two of the Alumni Association members have written and suggested that the Alumni Association offer discounted memberships for couples or families. Thank you for your suggestion. The Alumni Association only charges \$ 10 per person per year for membership dues. The Association does not feel that this is an unreasonable amount to charge for dues. Therefore, there are not any plans to establish discounted memberships for couples or families. The Association asks that members remember that it is the membership dues which provide the operating funds which allow the Alumni Association to provide fund raisers for the Scholarship Fund.

McKinley Alumni president Don Bair stated alumni associations are for people who "refuse to stop having fun". Timken Alumni Association encourages alumni associations because they support each other and the youth of today. They gave \$ 8050 in scholarships in 1995.

Jim Mitchell, president of the Lincoln Alumni Association reported Lincoln gave the largest amount of scholarships this year. Sixteen thousand dollars went to 33 recipients. Lincoln has over 1000 paid members. Lincoln holds a dance each year after Thanksgiving which gives a big boost to their scholarship fund and holds a golf outing and family picnic each year. Don Bair reported McKinley Alumni hold a St. Patricks Day party and a picnic at Sippo Lake Park. Fifteen scholarships were given in 1995. The McKinley Alumni band performed and several majorettes from classes 1952 to 1976 are still dancing.

## '66 WILDCATS REUNITE OVER OLD TIMES

Reprinted from an article by Steve Doerschuk on April 5, 1995.  
Courtesy of the Repository.

**CANTON** — On Oct. 29, 1966, before more than 2,000 witnesses in Fawcett Stadium, Lehman High School placed a crown on the tresses of its new football homecoming queen, Kaye Carr.

Lehman's football team, meanwhile, got run over by a red-and-gray truck.

Entering the night with a 6-1 record, Lehman exited with a 22-0 loss to the Canton South Wildcats.

Things went so well so early that the Wildcats, eager to prove themselves one week after a 14-0 loss to Fairless, got downright cocky.

In the second quarter, South center Russ Neff broke huddle, arrived first at the line, and informed the Lehman defense where the next play was headed.

"What the heck you doing?" another Wildcat demanded of Neff.

"Don't worry about it," Neff shouted back. "They can't stop us."

He was right. Neff kept announcing the plays. At one point, Neff began to frame the news in the form of a conversation with teammate Pete Kimble.

"Hey, Pete, where we runnin' it this time?"

Such stories filled the night Saturday when members of the '66 South team gathered at Orlando's Crystal Light restaurant for a reunion.

The memories were so thick that closing time could not contain them.

The last of the old Wildcats, most of them around 47 years old, cleared out at 3 a.m. and headed to an all-night restaurant for breakfast.

The three 1966 captains — Randy Frederick, Kimble and Harold Adams — had huddled with Neff and Les Weaver and decided to give a reunion a try.

Even though this year isn't a milestone anniversary, they agreed it was time to get together with old pals, some of whom they hadn't seen since high school.

All but three 1966 seniors showed up, and they were joined by many juniors.

Head coach Larry Kelly and his '66 staff of Jim Swierczek, Bob Graham, Tim Miller and Dan Risaliti were there. They got a couple of surprises. First, they heard a few tales of escapades that had been player secrets until Saturday. Each coach also received an engraved putter.

Many of the ex-players still live in Stark County. Some traveled from afar; for example, Ron Hull, who was an All-Federal League end, came from St. Louis.

"It was quite a success," said Neff, who says he might try to help organize a Federal League reunion. "We should have done this a long time ago."

At one point, Kelly noticed that the Wildcat reunion hadn't broken down into cliques. It reminded him of the old days. It had been a team that did things together, he recalled.

The '66 Wildcats finished with a 6-4 record, including a 4-3 Federal League mark highlighted by a 16-14 win over Jackson that kept the '65 cham-

pion Polar Bears from repeating. Losses were to Louisville, Fairless, Central Catholic and a Glenwood team led by a lineman named Dan Dierdorf. Other wins were over St. Thomas Aquinas, Perry, Sandy Valley and Marlington.

Kimble was a standout on offense and defense. In the Lehman game, played the eighth

week of the season, he moved from quarterback to halfback (Hull took over at QB) because he had three stove fingers.

"Hull did a good job against Lehman," coach Kelly said in a Repository article after the game. "Kimble is still the best quarterback in the county."

Kimble wound up making first-team, all-league honors as a defensive player. Other Wildcats named to the '66 first team were tackle Bob Moorehead and Hull. Honorable mention all-leaguers were Neff, the center; Adams, a tackle; Larry Watkins, a fullback, and Carl Hein, a halfback. Other '66 seniors

were guard Jim DeVaul, halfback Jeff Verheyen, end Bob Houmard, tackle Tom Passmore, guards Doug Peden and Phil Telaroli, and manager George Jones. Juniors earning letters were Mike Inman, Bob Ream, Roy McEndree, Weaver, Calvin Lake, Lonnie Flinn and Mike Watkins.

Many of them showed up Saturday ready to reminisce, almost looking ready to rumble with Lehman again.

"Everybody looked real good," Neff said. "Nobody was out of shape. We sure had a great time. They had to run us out of there."

## FROM THE PRESIDENT

Hi Alumni,

My name is Joanne (Reynolds) Moody, from the class of 1953, and I will serve as President of the Lehman High School Alumni Association for 1996.

Over 800 former Lehman students who receive this Lehman

Journal have already joined our ranks to help keep the name of Lehman High School alive.

The accomplishments under former presidents Mary Kay Wenger and Harry Steineck have moved the association forward in every way. It is my hope we will make further strides in 1996.

If every current alumni association member will recruit

one more former Lehman student to our association we will continue to grow, have fun and award more scholarships before the end of 1996.

The "Polar Party" to be held again in January has become an annual affair.

All Alumni affairs are geared toward everyone, and all who attend will have fun. Come alone or with someone but don't miss the fun. You'll be surprised to see former classmates, neighborhood friends and perhaps a relative or two.

Proceeds from the silent auction we held the last two years has netted our scholarship fund nearly \$ 1,000, we hope to be as successful again this year.

All City Night will prove to be exciting again and each of the four city high schools, two former and two current, will derive money for their scholarship accounts.

We hope to recruit enough former band members to get an alumni band started so another alumni band will not have to play our alma mater at the March 30th All-City Night. Buy tickets as soon as possible to assure you do not get left out of the fun of watching "old timers" hustle on the Memorial Fieldhouse court.

The event will probably be so out.

For those who missed last year the guys can still hit the basketball bench, cheerleaders still kick splits and majorettes still kick high.

My personal goals for the association are to continue to increase our membership, make the monthly business meeting informative while enjoyable and the social events varied enough that everyone will find something they will want to attend and bring a friend and give a many or more scholarships than we did in 1995.

I hope each person who reads this will find a way to lend a hand in 1996 even if it is only to renew your dues and wish us well in our endeavors.

## SCHOLARSHIP RECIPIENTS AND SCHOOLS EXPRESS THEIR GRATITUDE

The following letters were received from students who were awarded scholarships from the Alumni Association. The schools that the students are attending also expressed their thanks.

Dear Lehman High School Alumni Association,  
I would like to send my sincerest appreciation to all of you for making me the recipient of a \$ 250 scholarship. I am attending The Ohio State University and working part time at Red Roof Inn. The scholarship that you gave me really eases my financial burden. I would just like to say a big "Thank You!"  
Sincerely,  
David Williams

To: Lehman Alumni Association  
Thank you so much for awarding my grandson, David Williams, money towards his tuition at Ohio State. It was greatly appreciated.

Alumni of Lehman High School,  
I want to take this opportunity to thank you for the scholarship. It is very much appreciated and I will use it for my education at Capital University.  
Eric Johnson

Dear Fellow Members of the Lehman Alumni Association,  
Words cannot express the deep gratitude I feel for being awarded one of your scholarships. The scholarship awarded helped greatly to reduce some of the financial burden of attaining an education.

I am completing my Business Degree at Walsh University as a full time student, while working full time as an Accounting Administrator for Friendly's Restaurants.  
I am sorry that I could not attend the award ceremony on November 14th, but ironically I had a class that night!

I am proud to be a member of an association whose purpose is to support those interested in achieving a higher level of education.  
My deepest thanks,  
Lori Brown '75

Dear Lehman Alumni Association,

Thank you very much for the scholarship award. I appreciate that my hard work is recognized by your association. I understand that you will be notifying me of the time and place to receive my award. I am looking forward to thanking the association in person.

Thanks,  
Valerie R. Enold

Dear Lehman Alumni Association,

I enjoyed meeting several of you personally on Nov. 14. I was delighted to feel so welcome.

And even though I thanked many of you in person for the scholarship award, I wanted to send a thank you letter to those I did not have the opportunity to meet.

I appreciate the recognition from your association and the award will help finance my final semester. This award means a great deal not only to me, but also my father, an alumni. Thank you so much.

Sincerely,  
Valerie R. Enold

### COMMENTS FROM MEMBERS

I do enjoy hearing about everyone and finding out about your various activities. Maybe some year I will get back to see all.

Really enjoy reading about what is going on with my class of '41 and the other classes. I can't tell you how happy I was to receive the 1941 yearbook. It sure brought many memories of the good ol' days.

To Whom It May Concern:

Thank you for the Canton Lehman High School Alumni Association Scholarship in the amount of \$ 500.00 which you have provided for Valeri Enold. Your support for the education of Valeri will make a difference. Kent State University appreciates and values your investment in our students.

Dear Lehman Alumni Association,

Thank you for your generous gift of \$ 750.00 which you have designated as a scholarship for Scott Barcus. It has been credited to his account.

Although the tuition at Grove City College is one of the lowest in the nation among private schools and competitively comparable to many public institutions of higher learning, approximately fifty percent of our students must have some type of financial assistance to stay in school. Your generous scholarship helps us to join together as partners in education to match quality students with quality education.

We appreciate your fine support of students who either are or will be attending the college, and we will continue our efforts to be worthy of your support through efficient and debt-free operation in all of our programs. Again, thank you for the excellent scholarship for Scott.

Sincerely yours,  
Anne P. Bowne  
Director of Financial Aid  
Grove City College
