## POLAR PARTY

It's that time of year again, you know. Beat the winter Blahs and come out for an evening of fun, good food and check out the silent auction items.

Music will be different this year as Alumni Association Corresponding Secretary Nickie Wingert won the services of a disc jockey, or whatever they call them today, for an evening and donated it to our cause.

The evening will be held at Windsor Hall again this year, and the cost will remain \$15. The dinner will be catered by Mr. Mike, and no one ever goes away hungry.

Items have already been donated by alumni for the auction, but we're not telling at this point what they are with the exception of an afghan that Rose Maier made and donated again this year. Items for the auction are welcome from any individual or business. We will even pick them up as long as they are from local addresses!

It's an evening to invite friends to come out and share conversation, eat, dance if you choose and see what is offered up for bids to benefit the Scholarship Fund.

After the holidays everything seems to slow down for those who have not headed south, and since we're Polar Bears we decided to brave the elements and have some fun. One of our first years almost everything was cancelled due to cold weather, but we went forth and had a great turnout. Let's plan for a great turnout again this year on Friday, January 23, 2004.

Contact any board member for tickets. Tickets are not sold at the door unless arrangements are made in advance..

## 2004 DUES

Remember, everyone who has ever been a member or is on our master mailing list will receive the January *Journal*, but only those who pay their dues for 2004 will get the remaining issues throughout the year.

Please help us by renewing your membership using the form included in this issue of the *Journal*.

## SCHOLARSHIP APPLICATIONS

It is that time of the year when alumni may request applications either as a sponsor of a descendant or as a graduate himself or herself returning to school.

Just send a self addressed stamped envelope with the request to:  
Lehman H.S. Alumni Association  
Scholarship Committee  
P. O. Box 7498  
Canton, OH 44705-7498

As a reminder, sponsors must be paid-up members of the Alumni Association for both 2003 and 2004.

## MESSAGE FROM THE PAST PRESIDENT

Although Claudia has not been installed as of the writing of this message, she and the other new officers are scheduled for installation at the General Membership Meeting at 7:00 p.m. on January 14, 2004, at the Greater Canton Amateur Sports Hall of Fame. I know they will carry forth the endeavors of the Association.

The last year has been very challenging for this board, but we have met those challenges and become stronger for it in my estimation. One of the next challenges is meeting the needs for the future. Many of those alumni who met twice a month in the early days have aged by 10 years, and some regrettably are no longer even with us. Will members of those last graduating classes

## MESSAGE FROM THE INCOMING PRESIDENT

Greetings, Fellow Alumni – my name is Claudia Burgess Selby of the Class of 1975, and I am honored to have been chosen to lead the Association in 2004. As President, I will try to do my best for the Association as our previous Presidents have done. My goal is to continue to introduce our organization to fellow alumni who do not know that we exist. So I am asking all of you who receive this message to go out and spread the word to those alumni whom you know.

By the time you read this *Journal*, we will be within two weeks of our annual Polar Party. So why don't you invite your friends to go out with you and have a fun evening and perhaps scoop up a bargain at the Silent Auction. There is more information on the

The Association tries to send or take a single red rose tied with red and gray ribbons to the funeral home of Lehman alumni who die locally if we know about the passing. Often the school is not mentioned and we miss the opportunity to remember they were our classmates. Please notify an Alumni Board member when possible. For out of town alumni, we send a card to a family member when possible.

## SCHOLARSHIP DONORS

Several years back the "1946 Lunch Bunch" group decided rather than have a gift exchange for Christmas they would put their price of a gift into one gift for the Scholarship Fund.

This year Marge Boeshart, Nancy Cross, Delores Davis, Marge Fletcher, Joan Harold, Leora Klotz, Mary Jane Thurin, Caroline Wallenfelsz and Betty Warstler did it again, and \$90 was added to the Scholarship Fund.

Thanks, ladies.

## FROM THE PAST PRESIDENT – from page 1

soon step up to carry the torch and keep the name of Lehman High School alive? I hope so. There will soon be a new school named Lehman, but it will never be the same school as the majority of our members knew it. In fact the new school being built at Broad Avenue and 13th Street in Canton in no way resembles our Lehman High School.

Will the new school turn out better students than the one we attended? I personally doubt it. When we went to school teachers ruled; today students or parents seem to rule. Who in our day would have ever dreamed of wearing jeans to school let alone ones with tears or holes in them, earrings or pierced something or another. Even today teachers tell of the much better behavior of students on “dress up” days rather than dress down days. Oh my gosh ... look who is reminiscing about days at Lehman 50 years ago.

My personal thanks to all those who have helped the Association in one way or another the last two years for the help of many hands and heads made the job much easier.

’Til Next Time and thanks for the memories.

Polar Party elsewhere in this *Journal*.

Another of my goals is to continue raising funds for scholarships so that we may continue giving at least 25 per year. If you know someone who needs a scholarship and is a Lehman High School alumni or a direct descendent, they should request an application by writing the Lehman H.S. Alumni Association – Scholarship Committee – P.O. Box 7498, Canton, OH 44705-7498, enclosing a stamped self addressed envelope.

I also want to remind everyone that we are always looking for volunteers to help out at our functions and in other ways. Call me at 330-455-6655 if you are willing to help or have any ideas as to how we might improve our Association.

As you finish reading this letter from me, I want to thank all of you for your membership and hope that you will continue your support. I also want to thank our outgoing President, Joanne Moody, for doing a fantastic job this past two years.

## NAMES IN THE NEWS

**LENNY MAY** of the Class of 1965 was inducted into the Chagrin Falls High School's Athletic Hall of Fame October 2 at the Chagrin Valley Athletic Club. The English teacher distinguished himself as a coach and athletic director at Chagrin Falls High School. He was a varsity baseball coach for 18 years, and his teams compiled a 217-152 record. Six times he was named Chagrin Valley Conference Coach of the Year. In 1980 he was Geauga County Coach of the Year.

For 20 years he was an assistant football coach helping develop some of the finest athletes in the school's history. During his 12 year tenure as athletic director the athletic program grew to house 24 varsity teams. Four teams won state championships, and three were state runners-up. Individual athletes excelled at state and national levels. He has overseen 28 league championships in 11 sports.

**DAVE FETTMAN '55** will not be forgotten by his family or friends as a new medical building rises from the land directly behind the Davies Pharmacy. Fettman had dreamed of having the building behind his pharmacy house medical practices, but his death in August 2002 cut that dream short. The new building on Wertz Avenue will be called the David Fettman Medical Building.

**JOHN TRISSEL '50** and brother Dick were featured in the

*Repository* with comments on whether the country is safer than it was on September 11, 2001.

**JOHN REDMOND, CAROLYN FRY NEADING, SHIRLEY ADAMS MORROW, JEAN SIGRIST THOMPSON, ANN WASEM WILLIS and JULIE CARSON CONDIT** of the Class of 1943 were pictured in the *Repository* in a photo celebrating their 60th class reunion.

**JOHN WERREN '55** was recently awarded the "Award of Merit" from the Canton Regional Chamber of Commerce for his leadership abilities, mentorship, volunteerism and exemplary community service. He was presented his Award at the 2003 Community Salute Awards Banquet in November at Brookside Country Club.

**ZETTIE SIMS**, Principal of Lehman Middle School, was pictured in the *Repository* while attending a party at one of Canton's schools. The party honored hard working students who make an exceptional effort and become honor roll students.

**BILL WENTZ '57** was among the nominees for the third class to be inducted into the Stark County High School Football Hall of Fame.

**WARD SCOTT '48** finally decided it was time to retire after the City of Canton wore him down and bought his building. After 42 years in the costume business it was turned over to the Canton Chair Rental Company, and all of Ward's employees were to become a part of the new business. We understand Ward still drops by to keep an eye on things.

**DR. ROBERT RIPICH, DDS '59** was recently recognized in the *Repository* for making a "clean sweep" with a tongue sweeper. In 1999 Ripich patented the tongue sweeper and by the time of the writing, over 100,000 have been sold both in and out of the country, with some of his biggest accounts in Germany.

According to the article, in order to maintain a healthy pink tongue, it should be scraped in addition to brushing and flossing teeth. The normal toothbrush does not clean the tongue of bacteria and plaque which in turn can cause an individual to have less than pleasant breath. Sweeping the tongue may also reduce tooth and periodontal disease, which in turn may allow individuals to keep their teeth much longer.

The sweepers can cost anywhere between 99¢ made of plastic to \$30 made of titanium. Dr. Ripich recommends the stainless ones because they can be sterilized. His company is named Biocury Medical Instruments, and the products are made in Canton. They are available at many pharmacies, and some dentists sell them at their front desks.

## SCHOLARSHIP RECIPIENT RECOGNITION

Word has been received that Leslie Fant, a 2003 scholarship recipient, was recently named to the National Dean's List of 2003. Leslie is a senior at Valdosta State University where she has a double major in Secondary Science Education and Physical Education. She is the daughter of Becky and Jimmy Fant of Bowen's Mill Christian Center. This award is only given to less than 1/2 of 1% of all college students.

## ENTERTAINMENT BOOKS

Entertainment Books will again help the Association provide scholarships for students. These are a great bargain for those who like to dine out or catch a snack. This year the books have added features. They make great gifts and several people we know have even purchased a second book knowing they save substantially at some of the better restaurants.

This year we were able to sell for out of town alumni or those who were going to warmer climates for the winter and wanted a book for that area. Anyone still interested should give us a call, and we will order the book or ship one from our batch. We get credit for the book for anywhere we sell one.

Every book I sell I personally tell them thank you for donating to the Scholarship Fund because that is where all of the proceeds go. We have no expense, only profit and the more we sell the more we make. Only \$28 locally and different areas may be more or less, just ask. Many of the cards may be used in other areas if the sign is displayed at the restaurant.

Joanne Reynolds Moody

## THANK YOU NOTE

A note of thanks was received from Molly Steineck for her scholarships. She writes: "I just wanted to express my sincere gratitude for choosing me as a recipient for your scholarship. It is greatly appreciated as college is very expensive. Your Association does great things, and I hope it continues in the years to come. Thank you so much."

## KEEP THEIR NAMES IN MIND WHEN YOU HEAR MUSIC IN THE FUTURE ...

... for they got their start at Lehman Middle School and were recently named top male R & B group at the N.Y. festival. They will accept their award in Miami in January and then perform at the next International Music Festival.

The song, called "Still My Brother," was written as a tribute to the N.Y. firefighters. Their names are Akbar and Ibulah Bennett, and they go under the name of E.M.S.

Keep in mind although they did not go to Lehman that both Macy Gray and Marilyn Manson graduated from Canton schools.

The Bennetts may be next although currently they are both paramedic firefighters in Canton.

## REVERSE RAFFLE DINNER

The dinner will benefit 2004 scholarship recipients as once again with the help of Bill Rearick and many other Lehmanites and friends all 200 tickets were sold, and a great profit was the result. All of the proceeds beyond expenses go into the scholarship fund.

Bill sold 42 of the 200 tickets and deserves a special salute for his efforts.

Winners of prizes were Sue Bailey, Miracle Plumbing, Claudia Selby, Bill Ford, John Trissel and Ed Moody (who donated their \$125 back to the Association), Jean Ilg and Dolores Mandrell.

The main "pot" was then chosen to be divided by the last five, and each received \$500 for their ticket. Winners were Jim Mannos, Russ and Mary Davis, Gus Reale, Diana Davis and the Lehman Alumni Association (through an anonymous donor).

It was a great fun evening with good food at the AA Executive Party Place, which is owned by Lehman graduate Mike Kazes '74 (who also bought a ticket but didn't win).

For out of town members who would like to take part next year, check the *Journal* for a form that can be sent to purchase a ticket without the requirement of being present for the dinner/drawing.

## CHALLENGE FOR THE CLASS OF 1952

Challenge for the Class of 1952 was the word that John Torok and Bob Fitz told the alumni president after the Reverse Raffle Dinner. Then they gathered a few other friends and classmates including Bob Arnold, Dick Koons and Dick Yant to lend their names and pitch in a few dollars.

For every classmate from the Class of 1952 who paid their 2004 dues to the organization they would pay half of their 2005 dues.

The men saw that the Class of 1952 was very low in membership in the standing of members per class year printed in the last issue. Torok stated that they were known as the Class of Champions and this was not a satisfactory ranking for a Class of Champions.

At the time of printing we understand their challenge is being well accepted. For those who already paid their 2004 dues, you may challenge them for half of your 2005 dues.

## OBITUARIES

The Alumni Association regrets to advise the deaths of the following alumni:

R. Richard Fawcett '52  
 Margaret (Eisenburger) Schneider  
 Cyril Hill Holding '47  
 Corinne M. (Melbourne) Killian '40  
 Dorothy L. (Babcock) Duzon '42  
 Bill Hilkert '41  
 Gladys Snook '48  
 Ronald Jolovitz '52  
 Jack D. McMurry '57  
 Candice M. (McCallin) Isgrigg '65

The Association tries to send or take a single red rose tied with red and gray ribbons to the funeral home of Lehman alumni who die locally if we know about the passing. Often the school is not mentioned and we miss the opportunity to remember they were our classmates. Please notify an Alumni Board member when possible. For out of town alumni, we send a card to a family member when possible.

## SCHOLARSHIP DONORS

Several years back the "1946 Lunch Bunch" group decided rather than have a gift exchange for Christmas they would put their price of a gift into one gift for the Scholarship Fund.

This year Marge Boeshart, Nancy Cross, Delores Davis, Marge Fletcher, Joan Harold, Leora Klotz, Mary Jane Thurin, Caroline Wallenfelsz and Betty Warstler did it again, and \$90 was added to the Scholarship Fund.

Thanks, ladies.
