POLAR PARTY TO BE HELD ON 27 JANUARY 2006

It's that time of year again when those alumni who do not head to warmer climates come out for the Polar Party. Last year was a rip roaring success, and we want to top that with a great turnout.

Tickets are available from Larry Taylor at 330-494-9519 or Jack Dillon at 330-499-7951 or any of the officers or trustees at a cost of \$15.00 each for a dinner to be catered by Mr. Mike. That means the food will be plentiful and good.

DJ Rob McGirr will keep things moving and items should be plentiful at the Silent Auction, but we can never tell in advance what will be on the tables. Guests must come and find out for themselves. (ONE ITEM WILL BE A FOOTBALL AUTOGRAPHED BY DON COCKROFT OF THE OLD CLEVELAND BROWNS – THE KARDIAC KIDS!)

Remember – no matter what the weather the Polar Party will go forth because we're Polar Bears. So gather some friends and plan to have an enjoyable evening on Friday, January 27 at Windsor Hall.

MESSAGE FROM THE PRESIDENT

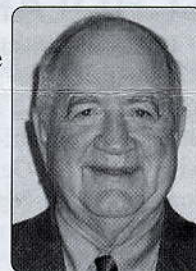

Greetings Fellow Alumni:

This past quarter may have been the best quarter of the year for the Canton Lehman High School Alumni Association. I will start with the Reverse Raffle which was a rip roaring success. All the tickets were sold before the drawing. Good food and great participation from the audience. It seemed that all who attended had a great time. Mike Kazes (Class of 1974) and his staff at AA Executive Catering did an outstanding job. Your board worked hard to make this event successful because it is our biggest fundraiser of the year. It makes most of the funds we need to award the scholarships next year. It was great to see David and Lynn Anderson there all the way from California. They did win a little cash but not enough to pay for their trip.

The next event was the Distinguished Alumni Banquet which was held at the Holiday Inn in Belden Village. It was well attended. Again the staff at the Holiday Inn did a great job of serving, and the food was excellent. Thanks again to the Board members and most particularly Kitty McClelland for handling the event. We did have Alumni from all over the country attend, and it was a pleasure getting to visit with them. Gene Sue came from Nevada, Janet (Jerles) Folsom from Colorado and Rocco Macri from Texas. I think we had a very deserving group of outstanding graduates in their field.

Next event will be the Polar Party to be held January 27, 2006, at the Windsor Hall. We had a very large group attend last year, and we are moving into a larger room to accommodate this year's crowd. Mark your calendar and come to a fun filled evening. Remember if you are not there, we can tell stories about you when you attended Lehman.

A word on the Scholarship donations. It is very gratifying to receive donations from all of you old alumni. Although most of the fund raising is accomplished through local events, so many of the alumni who do not live in the area are donating funds, and we sincerely thank you. Every little bit adds up. I would like to especially thank The Shanks, Milan McMannis, May Hilcher Hoffman and Nancy Morris Sonner who donated at least one full scholarship (\$500) during the last year. The awarding of Scholarships to descendants of Lehman High School graduates or attendees is this Association's primary mission. Again, thank you all for your response.

Ed Moody was the winning bidder for the luncheon with Commissioner Regula which the Commissioner donated to the 2005 Polar Party. He has graciously donated another luncheon to the 2006 Polar Party. Join us and bid on this as well as the many other donated items.

MESSAGE FROM THE PRESIDENT ...

— from page 1

We are in need of some help. We are looking for someone with computer experience to maintain our membership list. If you are interested please contact me at (330) 494-9519. Also would like to see someone from the Class of 1960-1969 to join the board. We need help to keep this Association rolling forward. Please give this some serious consideration.

This last year has been a gratifying experience. Starting with the Polar Party, we had the Spaghetti dinner, the Ice Cream Social at Taggarts, the Scholarship Awards, the Picnic, the Stark County Fair and the Pig Raffle, the Reverse Raffle dinner and the Distinguished Alumni Dinner. Lots of work, but your Board had lots of fun meeting and talking to classmates both old and new. For me, it has been a gratifying experience. Living away from this area from 1956 to 1976, I had lost contact with Lehman. It is great being able to re-establish connections with you all.

As always we are looking for suggestions that will improve our events. Please call me or send me a letter on any suggestions that you may have. My phone number is (330) 494 9519, and my address is 1115 Knoll St SE, North Canton, Ohio 44709.

Thanks to you all for a very successful year.

DIANNE TALARICO – EDUCATION

Dianne Talarico, a graduate of Lehman High School in the class of 1975, has been an educator for 26 years. She has served as a teacher, assistant principal, principal, associate professor, director, associate superintendent for the San Francisco Unified School District and is currently serving as superintendent of the Canton City School District. She earned a master's degree in educational administration from San Francisco State University and a bachelor's degree in elementary education and learning and behavioral disabilities from Bowling Green State University.

Early literacy, leadership development, and establishment of strong partnerships with home, community, colleges and universities are what she embraces as pathways to improving student achievement. Dianne is very passionate about children and reading. Early literacy is essential to success in school. She believes that it is the combined responsibility of the home, the school and the broader community to ensure that all students achieve early literacy.

In addition to early literacy, her focus is centered on the belief that ALL children will learn when a school infrastructure is created that raises student achievement and increases the number of students graduating from high school.

It is gratifying for all Lehman alumni to have Dianne, one of our own, return to Canton and serve as superintendent of the Canton City Schools.

CLASS OF '54 DEFEATS HURRICANES

Pictured at their mini-reunion in Palm Springs, California, are Robin (Bowman) Nevins, Jeanne (Smith) Walter, Lynn (Warnock) Anderson and Patty (Yant) Seiple of the class of 1954.

Robin (Bowman) Nevins, Jeanne (Smith) Walter, Patty (Yant) Seiple and Lynn (Warnock) Anderson, whose husband is Dave Anderson of the Class of '51 just returned from their second mini-reunion in Palm Springs, California. (Their first one was in Las Vegas.)

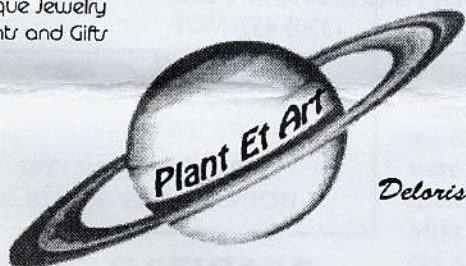

Hurricanes "Katrina" and "Wilma" couldn't stop them, but they tried.

Their original destination was New Orleans (with reservations made, etc.). "Katrina" took care of that so they quickly switched to Palm Springs.

Patty and her husband, Dick Seiple of the Class of '50, were enroute to their winter home in Florida when "Wilma" showed up. They took refuge at their daughter's home while the hurricane came through. Then they made a mad dash to assess any damage at their home. Other than lots of debris, they came through unscathed.

Patty flew to California the day after the storm to join the group. No hurricanes are going to stop the Class of 1954.

TEST YOUR MEMORY OF CANTON LEHMAN HIGH SCHOOL DAYS

By Wendell Horn, Class of '51

Lehman High School existed as a senior high from 1938 through 1976, so this year it will be 30 years since the last class graduated ... and 68 years since the first class graduated. Do you remember much about your old high school and hometown as they were 30, 40, 50 or more years ago?

Members of the class of 1951 were put to the Lehman/Canton trivia test at their 50th reunion. They had mixed results.

Below are some of the historical questions asked at that event. Most of the questions apply to most of Lehman High's existence.

Test yourself and see how you make out. If you enjoy the challenge, we'll do it in the next issue, too!

1. What was the name of the drug store across the street from the school?
2. Who wrote the words to the Lehman High alma mater?
3. What happened at Lehman athletic contests that was different than any other area high schools?
4. The Lehman fight song was sung to the tune of what well-known song?
5. What was the name of the ride at Meyer's Lake Amusement Park that featured a laughing fat lady figure out front?
6. What was the name of the Polar Bear mascot?
7. Name the two popular drive-ins on Cleveland Avenue that were student hangouts.
8. What was the name of the downtown store where we could sit in glass booths and listen to records (remember records?) and not really buy anything?
9. You may recall that our yearbook was the Polaris, but what does Polaris mean?
10. Finish the words to our fight song: L-E-H, L-E-H-M-A-N, L-E-H, L-E-H-M-A-N, Lehman High get in there and fight ...

FILL IN YOUR ANSWERS AND BRING THEM TO THE POLAR PARTY. WE WILL PLACE ALL OF THE ENTRIES THAT HAVE THE MOST CORRECT ANSWERS INTO A BOWL AND DRAW ONE WINNER OF A CANTON LEHMAN SWEATSHIRT OF YOUR CHOICE.

OR YOU CAN SEND YOUR RESPONSE (ALONG WITH YOUR 2006 DUES) TO:
