## TEN NEW SCHOLARSHIPS GIVEN PICTURE AND STORY ON PAGE FIVE.

### PAULA SMITH, CLASS OF 67 RECEIVES LIBERTY AWARD ARTICLE ON PAGE TWO

### FINANCIAL STATUS OF THE ASSOCIATION See Page Five

### Lehman 56 Timken 48

Lehman finally won a game in the third round of the All-City Alumni Basketball Night games held April 12 in the Canton Memorial Fieldhouse. Score was Lehman 56.....Timken 48.

Unless you attended at least one of the games it is not easy to describe the great feeling of friendship that encompasses the 4000 spectators ; it's almost like a "homecoming" night , where you see friends from other schools, and acquaintances whom you never knew graduated from Lehman a few years before or after you.

A special thanks to the following L.H.S. graduates who practiced and played in the name of Lehman:

Bob Seaman, Steve Gerardot, Jake Hupp, Chris Cowley, Dan Finn, Terry Moore, Doug Stutz, Bill Tolbert, Steve Watson, Jeff Haupt, Mark Kramer, Novak Marku, Rich Milligan, Tony Potento, Mike Rooney, Terry Gerardot, Steve Yerkey, Jim Haupt, Mike Barr, John Haupt, Nick Ramphos, Dave Scott, Harry Hansen, Gary Stradley, and Dick Koons. Dave Scott has traveled from the West coast each year to play, and several others come from other states to give the game a try once again.

Coaches lending a hand: Dick Myser, Dale Wearstler, Bob Neading, Bob Henderson, Lou Ryman, Lee Sommers, Roy Sheil, and Bob Kistler. Serving as team manager was Bruce Williamson.

A special thanks to Kent Smith for all the coaching and other work he put into the evening and then was unable to attend due to an injury suffered during practice a few days before the game. Kent has worked very diligently all three years to put a team on the floor.

### And the Cheerleaders.....

Certainly not to be overlooked were the cheerleaders who practiced for weeks and motivated the crowd of Lehmanites to cheer for the team. Tammy Whitehouse Shimko got the moving. The squad ( See page 7 ) included Nadine Whitehouse Shadle, Mary Lou Unger Reiman, Peggy Unger Johnston, Brenda Hayes Neel, and Ann Johnson Hostetler.

Mary Kay Johns Wenger, a member of Lehman's first cheerleader squad, was on hand and received special recognition. She can still lead a cheer and did so at the game. She is from the 1939 class. Attempt to get the male cheerleaders on the floor was not accepted. Thanks go to Kent Smith, Sandy Buchheit, Jay Jones, and Mary Kay Wenger for serving on the committee to represent Lehman.

### "HILL GANG" GOLF OUTING

It's time again to share the Skyland Pines Golf Course with friends for the annual "Hill Gang" Golf Stag on Friday, August the 8th. Even if you don't play golf you can still enjoy the day and join us for dinner.

Tee times start at 11:02 am and go through 12:54pm. This may be extended if enough golfers call and reserve times. To do so, call Skyland at 330-454-5151; the cost is \$30.00 for 18 holes and 1/2 cart.

6:00pm starts the social hour with a cash bar in the clubhouse and a great dinner at 7:00. The \$20.00 dinner cost includes a small donation to help with organizational expenses. So your total cost for the day caps out at \$50.00.

Reservations for the dinner should be made with Kent Smith at 4901 Leigh Ave.N.W. 44709, or call him at 330-499-0835.

We hope to see some new faces at the events this year. Kent says he can't promise anything if golf reservations are not made by August 4th.

### HERE'S WHAT'S HAPPENING

- Aug 8.....Hill Gang Outing  
Kent Smith 499-0835
- Aug 26-Sept 1.....Stark County Fair Booth
- Sept 9.....Hoover Park/Annual Picnic
- Sept 21.....Louisville Constitution Parade
- Oct 12.....Family Hayride at 4:00pm
- Oct. 21.....All-City Alumni Night hosted  
By Lincoln High School
- Jan 16,1998.....Polar Party at Windsor Hall

### CLASS REUNIONS COMING

- |                        |                         |

Next Membership Meeting- Oct 8/At Lehman

## FROM OUR PRESIDENT.....

Here it is summer already, where does the time go? They say that as you get older time goes by quicker, and sometimes it seems as if there are not enough hours in a day for me. That is how my second term as president is going. We are doing SO MANY exciting things and growing with each mailbox trip.

The majority of things that have happened to me in the last year and-a-half are positive, but one thing that has happened for the fourth time has made me rather sad. There are some people out there who think their days at Lehman were some of the worst in their lives. I cannot imagine what could have happened that made them feel that way.

Often the word "clique" comes up. Every school had cliques, but just what is a "clique"? Were we so callous as teenagers that we could not see there were some students who felt left out? Were we really callous or just comfortable with our own friends from the neighborhoods where we lived, rode the bus, played sports, band, drama, or any of the other activities. Was that a "clique"?

As an average student at Lehman I could have fallen into any of the above categories, and I probably could have been intimidated by some of the seniors when I was a freshman, and by all of the teachers. Today I don't think there is any Lehman graduate who could intimidate me and I cannot really think of anyone else on this earth who does. Perhaps that is what comes with maturity, and perhaps that is why I am so enthused with our Alumni Association. We are of all ages but we have one common goal, to keep the name of Lehman alive, help today's students have a better tomorrow, and to have some fun while we're doing it.

So if you know someone who thinks their days at Lehman were less than memorable, who doesn't want to return for class reunions because of the "cliques", suggest to them that they give it a try. They may be surprised how life has changed the outlook of so many of those who have passed through the halls of Lehman.

I have heard so many positive comments about recent reunions; that those attending had the best time ever because everyone talked to everyone. With all of the reunions scheduled this year, please try to attend, for each committee works hard to make theirs an enjoyable event.

And last but not least, please pay your dues annually and ask a friend who is not a member to join this year. We still have room to grow and we still learn of graduates and attendees who do not know we have an association; some of them even live in the Canton area.

'Til next time,

Joanne

If any of the former Lehman basketball players have memories of a particular game on the old Lincoln High gym, they may want to purchase a piece of the floor. To help pay for a new floor in the gym, now owned by Heritage Christian School, they are selling square foot sections of the old for \$10.00 each.

Anyone interested should call 452-8271, or write to: HCS Gym Floor, 2107-6th St. S.W., Canton, Oh 44706

#### Class of 1972.....

Will hold their 25<sup>th</sup> on Saturday, October 4<sup>th</sup>, at Arrowhead Country Club. A Friday evening event may be added. Sheila Hawkins Tarzan has further information at 494-1135.

This year more scholarship applications have been requested than in previous years and we have encountered some problems, namely, not enough time frame for transcripts and return of requests in time for character references to be checked.

It is now suggested that sponsors keep in mind that their dues must be paid up to date and that a request be sent after the first of the year if they have a student who will start or continue in college in September of 1998.

Anyone applying for the first time should request the application early in order to give adequate time to look over the requirements and get any questions answered without being in a "panic" at the last minute. These scholarships do not have to be repaid, which makes them most desirable. Remember to enclose a stamped (55 cent) self-addressed business size envelope with your request for application.

#### POLAR BEAR INSIGNIA

The Polar Bear which you see emblazoned so often on our Journal, newsletter, our plastic mugs, and other places, is the work of Chuck Duplain, II, son of Polly McAfee Duplain from the Class of '57.

Thanks Chuck.....we really appreciate it.

#### ENTERTAINMENT BOOKS

Will arrive in the middle of October. The proceeds from the sales of these books goes into the Scholarship Fund. They will sell again for \$28 and Barbara Udeck will gladly accept advance orders. We ran out last year so we ordered additional numbers this year. Give Barb a call at 492-7000.

#### Parade Time.....

ARLAN SHANK generously donated the use of his truck and built benches in it to seat the riders for the Memorial Day Parade. Three alumni walked the parade route and carried the banner. Come out and join us next parade. They are easy walking distances for anyone who enjoys a walk. "Take a Hike" and wear your colors.

### **Zettie Sims, Principal of Lehman Middle School**

There was a coach at Barberton High School in 1969 who took an interest in Zettie Sims, challenged his interest in sports, and headed him down a path that led to the former Lehman High School, now a middle school with over 750 students.

Graduating from Mount Union College in 1977, Sims joined the Canton City Schools and began his career at the Alternate School as a social studies teacher. Later he taught physical education at Hartford Elementary and was assistant principal at Hartford for one-half year. Then, he became the coordinator of the Multi-County Juvenile Attention Center, followed by a position of assistant principal at Souers Jr. High for five years. He was asked to go to Lehman in August of 1995 because as he stated, "...where there is trouble is seem to follow".

Lehman is no longer the school surrounded by family homes, but more of a transient neighborhood. Sims is trying to make it a place where the youngsters want to come to school.

The school is an old building, but the past year has seen some serious face-lifting to rooms, gym, and stage floors, and decorations in the hallways. A place of learning. He has had juvenile judges come in to talk with students, telling why they should not stray on the wrong side of the law, and his staff has tried an approach where good behavior and good attendance is rewarded. A student who stops to help another student may find that the principal has handed him a certificate for a free sandwich from a local fast food restaurant, or other similar reward.

Teachers took 180 students to Washington, D.C. recently as a reward, the students earn their own money with fund raising projects. They have toured the London Candy factory, Pro Football Hall of Fame, taken a train ride through the Cuyahoga Valley National Park, and made a tour of the Cleveland Science Museum. Ten students are chosen each nine weeks to have lunch with teachers at a local restaurant. This fall the sixth grade students will go to Camp Muskingum for a fall outing.

The D.A.R.E. and pregnancy prevention programs are in effect and Sims has been known to go to an absent student's home and tell him to get out of bed and get to school. He has appeared at a student's home at 6:30 p.m. to have a parental discussion about an unruly student. Video cameras are now mounted in the buses and he feels bad when he needs to show a film to convince a parent his or her child has been misbehaving and explain why he is being punished. Sims stated that his job is a "burn out" type of job, and when he gets to feeling down, he goes to sit in a class. When he sees students raising a hand to answer a question and enjoying the learning process, he is refreshed. Perhaps he really is making a difference.

Sims has used his own money to fly to California to see how the educational program is working and feels it will come to this area in time.

Each month the school has a theme. It could be honesty, good manners, integrity, good behavior, random acts of kindness, all things which seem to have gone by the way in recent times. Uniforms are in the consideration stage. Tried in another Canton school, it has proven quite successful. And, although some students dislike the idea and their parents back them up, just as many parents are for the idea. Dark trousers or skirt with a light colored shirt or blouse are considerably cheaper than a "starter" jacket and some brands of tennis shoes. Trousers half-way down the hips on students have been met with duct tape and string, even if parents say it is O.K. It is NOT O.K. in school under Mr Sims' rules.

Honor students take part in the Jazz Band and choir that go to different places to perform.

You could tell how proud Sims was of his students who participated in the local spelling bee, when Lehman had the number one spelling champ and three of the top eight students in the city.

Cont'd on page 7

And here's more names in the news:

Bill Rearick appeared among the "Top Achievers" for Cutler Better Homes & Gardens Real Estate.

Mary Ellen & Chuck Steineck have been married for 57 years. They reside in Sarasota, Florida.

Eleanor (Nicki) & George Wingert celebrate 50 years of marriage on July 26th.

Megan Morgan performed in "Brigadoon" 25 years ago as a Lehman Senior. Today she is a founding member of two Washington theater companies, the Source Theater and the Washington Shakespeare Company. Recently she was nominated for a Helen Hayes Award, Washington's equivalent of the "Tony Award" for outstanding supporting actress in a resident play "Four Dogs and a Bone". Megan attended the awards ceremony at the Kennedy Center on May 5th.

Norma(Kifer) and Ray Weber celebrated their 50th anniversary on May 9th.

John Werren did an excellent job helping host the Pro Football Hall of Fame Queen Pageant. Tough job.

Dick Seiple has been selected for an October 18th induction into the Greater Canton Slo-Pitch Softball Hall of Fame. The event takes place at Rolando's Crystal Light Restaurant.

Stan Ewing has received the Rotary Club's Service Above Self Award. He was also generous by allowing the HOF Queen to drive a new red Chevrolet sports car until September, so the Queen would have a nice set of wheels until she leaves for college in the fall.

James Arlan Shank was highlighted as an officer of the Nimishillen Grange, recognizing Grange Week. Arlan and his family have been the backbone of the Annual Easter Egg Hunt sponsored by the Grange for the last eight years. Children from all around the Louisville area take part in the event which has continued to grow each year.

### **Don Abramson Leader of World Jewish Group**

Abramson, a 1971 Lehman graduate, recently became the leader of the American Jewish World Service, an organization he refers to as "the Jewish Peace Corps". Now living near San Francisco, he trades stock options and is a member and a former governor of the Pacific Stock Exchange.

The service organization was founded in 1985, and the same year, Abramson founded a branch in San Francisco. "It is a volunteer organization of Jews helping non-Jews" he related.

Presently, in Vietnam, Abramson's organization is teaching doctors in outlying areas how to teach local residents to practice good primary medical care, especially women's, children's and prenatal care. American Jewish World Service does not go into an area and set up shop. Rather, it responds to requests from already established groups that need outside help. As part of its mission, revolving loan funds have been set up in Honduras and Gaza. These loans might be for as little as \$75 to \$100 for a woman to buy a sewing machine to make clothes for her family or for sale to others.

Row 1 Amy Kull, Jaclyn Gerardot, Jennifer Wilson  
Row 2 Richard Conley & Stephen Snyder

*Lori Brown, who has been our Editor since this paper was first published, has been trying to balance a full-time job and still stay on the Dean's List in college. She has informed us that this will be the last issue for which she can serve. She will still remain active with committee work, but needs more time for herself. Lori has done an outstanding job in putting together these issues, and she will be sorely missed. If you know of anyone who would be willing to replace her, please call our worthy president, Joanne.*

After a dinner catered by Mr. Mike's on Wednesday, July the 16th., the scholarships for 1997 were awarded. Forty-six applications were received this year and ten were granted for \$500.00 each. The first step in the search for recipients is to make certain all of the requirements have been timely met. Too many applications had to be rejected because they were incomplete.

Eac applicant had been assigned a number with names known only to an Association member not affiliated with the selection process. The Scholarship Committee was chaired by Tim Elder, with members Jaci Smith and Claudia (Burgess) Selby.

#### The Ten Recipients for 1997 Were:

AMY KULL, daughter of Janet Tedrick Kull, class of 68. Ami is a sophomore at Freed-Hardman University in Tennessee, where she is working on a degree in biology and hopefully will move on to medical school and a career in pediatrics. Amy received the first scholarship named for Connie Rubin.

KEITH WATKINS is the grandson of James R. Sherer, class of 47/ Keith is a 1996 graduate of Glenoak, and will be a sophomore at the Art Institute of Pittsburgh. He will seek a job in the motion picture industry in film making, particularly in the field of computer animation and special effects.

LORI BROWN is a 1975 graduate of Lehman and also the daughter of Lehman graduate Luanne (Huff) Fultz. Lori attends Walsh University, majoring in accounting. She would like to get her degree in accounting and Human Resources and land a job with a college or university. Lori has been on the Dean's list for six straight semesters while holding down a full time job as a district accounting administrator for Freindly's Restaurants. She also serves as treasurer for the Alumni Association.

RICHARD CONLEY is the grandson of Lehman graduates Walter and Katherine(Colaner) Conley. He will attend Kent State University Stark Branch. He has received the "Deaf Student of the Year" Award.

BRYAN MORLEY was sponsored by mother Leslie Morley and grandmother Janice Miller. He will attend Wake Forest University in North Carolina.

ANDREW BATCHELDER is attending the University of Michigan.

JACLYN GERARDOT is attending Ohio Wesleyan.

ERIC JOHNSON, sponsored by father Jan Johnson, is attending Capital University.

STEPHEN SNYDER will attend Baldwin-Wallace.

JENNIFER JOHNSON will attend Baldwin-Wallace.

Attorney at Law  
484-4851

**LOOKING FOR .....**

We have received a letter from Betty Delp Ridd, daughter of I.W.Delp, who was the principal at Lehman for many years. She passed along the information that her sister Janet lives in New York, and that her brother Dick had died in August of 1996.

She is looking for a "chalk drawing" of her father that hung in a room at Lehman. We think perhaps it was an ink drawing that had been done by Donald Ink. If we can locate it she would like to have it for her family, if no one has a better place for it.

Anyone who can help Betty or remembers her and would like to drop her a line, her address is 2905 Harvey Ave., Dayton, Ohio 45419.

**THE GAME GOES ON**

The name of Lehman lives on because of youngsters such as Keno Sultan and Laura Parks who represented the school in the Stark County Spelling Bee.

**ANNUAL PICNIC SLATED**

The Hoover Company has confirmed that we can use a park shelter for our annual picnic on September the 9th. Mark your calendar and plan to attend. A couple of Timken Alumni are always ready to cook the burgers, and the Association picks up the tab for the remainder of the food and drink. Some members bring a covered dish but that is not required.

Bring some friends along for an enjoyable evening. That's one thing about the Alumni Association, your friends, relatives, and neighbors may be older or younger than you but they are all one family at these gatherings.

**A Thank You Note**

The following note was received from Janet Creighton who has chaired the All-City Alumni Basketball Night from the beginning:

"Super job on the Alumni Basketball Game. A Shining example of four associations working Together for the common good. I also appreciated the Lehman gift at the Lincoln Pep Rally. What a surprise; you guys are the greatest. Thanks again for all you do, what about next Year?" .....Janet

[A Lincoln graduate, Janet has helped to raise over \$45,000 for scholarships graduates and descendants of graduates of Lincoln, Lehman, Timken & McKinley. She has chaired this project with the same enthusiasm she had when she was a cheerleader for Lincoln]

**How the Games Went.....**

The All-City Basketball Games have provided each of the four high schools with nearly \$12,000 over the past three years. The current question is....what can the four associations do next year to raise funds of that amount and still have fun doing it? Some want to stay with a basketball game, but let's face it folks, the players aren't getting any younger. Although two of the schools still have young graduates, the game players must not have graduated any later than 1976, the last year the city had four high schools.

What is amazing is that 20 years after graduation, 110 men are still willing to go out and play a game and then never admit after the game that they are exhausted.

This year they went on to a party after the game at a "Sock Hop" held at the Canton Civic Center and attended by over 700 people. (Remember "Canteen" at the church up on Shorb after the games?) Hopefully the committee from the four schools will come up with an idea that appeals to as many people as the games did. Although two teams had to lose each evening the games were played, there were really no losers for the men played so that today's youth have a better chance at an education.

**Power of the Pen**

In high school and beyond we all recall speech and debate teams, a vocal competition for students. There is now another program called: "The Power of the Pen" and Lehman Middle School students are beginning to take part in the competitive writing program. The competition consists of **Writing Rounds** wherein the students are given a topic and a time frame to write on it. Judging is based on creativity and organization.

Lehman is new to the game but, the teacher/advisor Christen Schott sent the following thank you note for the \$100.00 donation from the Alumni Association.

"I would like to sincerely thank you for the generous donation in support of the "Power of the Pen". We have had several competitions against Crenshaw and competed in a district competition at Marlington. I am very proud to announce that two of our students have qualified for the regionals that took place in April. I will be sure to keep you posted. Once again thank you for your contribution, but most of all for your support."  
[Since the new program was not in the school budget, the teacher asked for our help for funds for ribbons and trophies for a first-time competition that was held at Lehman]

We got a note from member Jean Carper, who was with the Class of 1940, and keeps a record of the deaths from that class. We may have printed some of these before, but are doing so now in the event we missed any.

## ...and here's some of the people who sell Our merchandise

L to R: Jean Steineck, Barb Udeck, Harry Steineck, Shirley Smith, & Joanne Sleighter

*These are some of the loyal and very active members who come out on their own time to every event that the Alumni Association has, including the golf outing and all of the reunions, to sell our merchandise to raise scholarship funds. Why can't there be more of these kind of people?*

## SIMS, FROM PAGE 4

he did not hesitate to brag a little about the girls basketball team and the boys wrestling team as they were both champions this year.

A dedicated person is Sims, and still he tries to make time for his own two children. At 42 years of age he still goes back to see the teacher/coach from Barberton who believed in the young boy who was one of ten children in the Sims family.

## CLASS OF '57 SETS REUNION

The Class of 1957 has scheduled their 40th reunion for the weekend of September 5th to the 7th. Here's what's planned:

Friday there will be an "Ice Breaker" cocktail party at the Canton Hilton Hotel. Saturday there will be a tour of Lehman for those who have expressed an interest in seeing her again. That evening, a buffet dinner at the 356th Bomber Squadron at the South end of the Canton-Akron Airport.

The next day will be an informal and relaxed brunch in the Lake Cable Club House on Fulton Drive from 10:00 a.m. to 3:00 p.m. or later.

Help is needed in locating the following:

Judy Lou Smith  
Sheila Vesler Schwartz  
Nancy Smith Meighan  
Andrea Smith Stephanic  
Dale Seck  
Ronald Rocco  
Virginia Smith Dunikowski  
Beverly Smith

If you can help, call any of.....

Judy Christian Russell 330-492-0080  
Paul Lamiell 330-456-7375  
Wayne Arnold 330-493-1578

## CLASS OF 1952 REUNION

Activities scheduled begin with a cocktail party on Friday the 26th at Bender's Tavern. Saturday will feature a daytime golf outing and an evening dinner at Congress Lake Club. A Sunday brunch at Arrowhead will wrap up the event, but they need help in locating:

JOE CALEY CLASS OF '65

## NAMES IN THE NEWS

John Haupt II, Thurman Munson, Jerome Pruett, and Joe Gilhousen were recently remembered in an article in the Repository for their days as players at Lehman in 1965.

Today, Gilhousen is the head coach of the Glenoak baseball team that won state high school baseball titles in 1995 and 1996.

John Haupt, III plays on the Central Catholic High School team, where he is a starting pitcher this year for the team that is trying to capture the state title.

Haupt number 3 plans to attend Miami University this fall unless drafted by a major league.

Jerome Pruett is still having fun with the game of baseball, playing with the historical team of the Hoover Sweepers. These historical teams play with old fashioned rules, old fashioned uniforms, and best of all.....with old fashioned sportsmanship etiquette.

### *In Memoriam..*

*We regret having to announce the  
Loss of the following:*

*Harley Miller, Class of '52  
Died after a long illness.*

*Jeanette F. Riddle  
Died July 30. She had been  
a resident of Sumser Health  
Care Center and was an  
Honorary Member of the  
Lehman Alumni Association..*

*In the 1940's she had organized the Speech Department of Lehman and led the group to several awards. Jeanette had been principal at Cedar, Smith, Martin, Belden, and Mason Schools during her long career in education.*

### *A Special Remembrance.....*

*Connie Pfeifer Rubin*

A brief mention of the sudden passing of Connie (Pfeifer) Rubin in the last newsletter did not do justice to the valuable work she did for the Alumni Association in our formative days.

Connie was a 1942 graduate of Lehman and worked 23 years for the Canton City School System. She and her husband Raymond had celebrated their 49th Wedding Anniversary in March of this year. When Connie was asked to serve as our first treasurer she accepted most graciously and did a great job of it.

Her family had asked that memorial contributions be made in Connie's name to the Lehman Scholarship Fund and we have received substantial donations. Our thanks to her family for remembering us in their time of sorrow.
