## From the President...

Last year was a very good year for the Lehman High School Alumni Association, inasmuch as we were able to raise a sizable profit on every event we held. This has enabled us to award \$7000 in scholarships this year.

BUT we need to have some new volunteers, with new ideas to bring to the Association. Board meetings are held once per month. In October, an election will be held to elect new officers for the coming year.

At this time, we need new volunteers to continue to vitalize the Association and maintain the good work that has been accomplished.

This is an excellent opportunity for those members who have suggestions to provide their input, and help the Association in being a focal point for alumni to rekindle old friendships (and make new ones) at the same time awarding scholarships to deserving Lehman graduates and their descendants.

At the very least, please call a board member and offer your suggestions, or mail these to our Post Office box. Better, attend a meeting or offer your services to lead our Association in the year 2000. You will be better for it, and so will deserving students.

**Barbara Montgomery Udeck**

## FROM THE EDITOR..

Election time will be here before we know it and we need volunteers to fill several vacancies.

Barbara Udeck has served as President for two years and would like a break. Two trustees are required for three year terms. Kitty has served as Secretary for two years and would like a break. We also need a Treasurer and a Historian.

We have over 1100 members and there must be a few members who have several hours to spare to assist our group in their worthwhile endeavors. Several of our officers have been working and serving since the organization was formed.

It is really a fun group and age is not a factor. We all have common goals—to keep the name of Lehman High School alive, to raise funds to help educate deserving students and to have fun while we do it.

Think about it—members are always welcome at Board meetings usually held the first Monday of the month.

Thinking of volunteering? Call any of the board members and a member of the nominating committee will call with further details. A note can also be sent to the post office box.

## BITS AND PIECES

- ENTERTAINMENT BOOKS**  
It will soon be time to place our order for these books. Last year, we unfortunately ran out and by the time other organizations returned their unsold books, we lost sales. These make great Christmas, birthday or anniversary gifts. Place your order now by calling **Barbara Udeck** at 492-7000.
- The Alumni Association would like to express thanks to the Shank families for their donation of a tumbler for use in our various raffles. It is gratefully appreciated as, last year for the reverse raffle, we had to rent one. Thanks to **Karl ('41)** and **Helen Shank** and their sons and daughters-in-law, **Philip ('66)** and **Kathy Shank** and **Donald ('70)** and **Linda Shank**.
- A new **Lehman Middle School** costing approximately \$14 million is planned if a \$166 million renovation plan for the Canton City Schools takes place. A \$38 to \$40 million bond issue will be on the November ballot and if successful the remainder will be provided by a state grant.
