FROM THE PRESIDENT

September and October hold so many fun activities for members of the Association !

The picnic was successful again this year and the evening perfect. It would be hard to determine the guest who actually traveled the furthest, but Singapore, Atlanta, and Canada had current towns of residence behind their names.

Several members from the Association carried the name of Lehman in the Louisville Constitution Week Parade on September 22nd. Every time we expose the Lehman name to new faces, we recruit new members. It is hard to believe that some people still do not know we have an Alumni Association. Too much of the time, our activities are found under the fine print of the newspapers.

The old fashioned horse drawn hayride on October 13th will be fun for those who attend. The large draft horses pull the hay filled wagon over farmland, not black topped roads. If the jostling is too much for some who would like to attend, just bring a lawn chair and enjoy the fire and conversation with friends. Don't forget to bring some hot dogs.

Lehman will host the All City Alumni Night on Tuesday, October 22nd at Lehman. This is an evening where former students of the four Canton City High Schools gather to have fun, whether it is reminiscing, listening to some former school songs or winning door prizes and eating cake. Wear your school colors and come to those halls of your Alma Mater to see what is still the same and what changes have occurred. Share an evening with former classmates and friends from Lehman and other schools.

Hope that you have paid your 1996 dues and have encouraged a former classmate to join.

Joanne

ENTERTAINMENT BOOKS

The Alumni Association will once again be selling Entertainment Books as a fund raiser. The books make great gifts and are well worth the price of \$28. The Entertainment Books will be available for purchase after October 15th. They can be obtained at any Association meeting or event or by contacting Joanne Moody at (330) 875-8477.
