MESSAGE FROM THE PRESIDENT

Greetings Fellow Alumni

Another busy summer for the Canton Lehman High School Alumni Association. The Scholarship Dinner was held, July 16, 2008, at the Canton American Legion Post #44. Attendance was outstanding as we completely filled the room with diners. Next year we may have to find a bigger place. As a result of your generous Scholarship donations, your Canton Lehman High School Alumni Association Board increased the number of Scholarships to be awarded to 51.

That is a BIG 51 or \$25,500. This event makes all of the year's hard work meaningful. All of the individuals who started and kept this organization going through the lean years should be immensely proud. Thank you. And again thanks to all this year's donors. Especially thanks to Milan McMannis and Norman Jackson for their generous donations which assisted us in reaching our goal of 50 Scholarships. Although the overall donations are not as great as last year, we will be very close and should be able to continue to award 50 Scholarships.

MESSAGE FROM THE PRESIDENT

—from page 1

The next event that kept us busy was the Football Hall of Fame Kickoff Parade. This year we made the eleventh annual march down Market Avenue. Thanks to Sally Conley-Oyster, we had her real live calliope playing music for the crowd of onlookers. Sally's playing received tremendous response. The only disappointment was the number of alumni who participated. Same old group that is getting older by the year. We may not be physically able to make the walk next year. Help!!!

On to the picnic. Those of you who did not attend missed a great event. Over 140 attended. We nearly ran out of everything. What a great gathering of Lehman Alumni. It was held at the Lake Cable Pavilion on August 13, 2008, with excellent weather. This is one event I personally look forward to because of the ease of handling it. This year's event was run by Joe Helaney and Bill Maronitis with help from Association Trustee Gus Reale. Bill and Chris Maronitis did the chef work again to everyone's delight. As always, the meat and drinks were provided by the Association and everyone brought side dishes. In addition, thanks to Bruce Williamson, the Hall of Fame Queen and her court attended and gave a presentation that added to the occasion. Those young women are all a fine example of the youth of today. Thanks, Bruce.

That was followed by the Stark County Fair, which is one of our biggest affairs. It is one that requires a lot of support by our members as we have two Alumni in our booth at all times for the entire week. Nickie Wingert, as usual, did a tremendous job of ensuring that the booth was adequately manned. When personal hardship problems arose, she or Claudia Selby jumped in to provide coverage. The weather was excellent this year except for the first couple of days. RAIN. But those days did provide an excellent opportunity to sell some rain gear. This booth does provide visibility for the Association and, in the end, it proved to be an excellent fund provider. I want to thank each and every one of the volunteers who manned the booth.

Just like last year, we conducted a raffle in support of the 4-H Clubs of Stark County and our scholarship fund. I would like to especially thank Ed Moody for sitting through almost five hours of auction, nursemaiding me again, until we made our purchase. Now to the financial report. This year's raffle was a tremendous success and rivaled last year's great effort. Again we raised funds for another five scholarships. Thanks, alumni, for supporting the raffle.

Next up on the schedule is the Reverse Raffle Dinner on Tuesday, October 14, 2008, at the AA Executive Event Center on West Tuscarawas Ave. This is our largest fund raiser for the Scholarship Fund. If you don't have your ticket by now, you better get with one of the Board Members as soon as possible because we sell only 200 tickets and they are going fast. The ticket costs \$35, and you can win as much as \$2500. The cost of the Dinner that night is \$20 each. You do not need to attend, but it is a lot of fun to participate in the event. All profits go to the Scholarship Fund so please support this effort. Give me a call at 330-494-9519 and I will get a ticket to you if there are any left.

Next will be the Distinguished Alumni Dinner to be held at La Pizzeria at 3656 Dressler Road on November 13, 2008. We have a great list of nominees for this year, and the list of the 2008 award winners is in this *Journal*. Tickets for this event are \$20 and can be obtained from any of the Board Members.

Don't forget this *Journal* is as good as the members make it. Please send any news item, newspaper articles of news con-

PAINTINGS TO BE AVAILABLE AT DINNER/REVERSE RAFFLE

Judy Christian Russell '57 will have watercolor paintings by Jean Anderson available for sale at the Dinner/Reverse Raffle on October 14. These are the paintings from which Jean Anderson's daughter, Sharon Anderson Boysel '57, is donating the proceeds from their sale to two charitable institutions, the Lehman Scholarship Fund and the Mayor's Literacy Commission. Full information on the paintings was printed in the *July Journal*.

Jean was a graduate of Lehman Junior High, and she and her husband both graduated from McKinley High School in 1933.

If you will not be able to see the paintings at the Dinner/Reverse Raffle, you may contact Judy Christian Russell at 330-453-7936 to arrange a time to view Jean's works.

ALUMNI ASSOCIATION ENDOWMENT FUND

The Alumni Association continues its discussion with the Stark Community Foundation on the establishment of an Endowment Fund to ensure continued scholarship funds are available to descendants of Lehman graduates. Finalization and establishment of the actual fund is on hold pending stabilization of the financial markets.

cerning alumni to me or to our post office box, Canton Lehman Alumni Association, PO Box 8175, Canton, Ohio 44711 or e-mailing to LehmanJournal@aol.com. Let's keep *The Lehman Journal* the number one alumni paper in the county.

LAST BUT MOST IMPORTANT. We are in need of some new fresh help and ideas. We will have an election of trustees and officers next month. If you have an interest in the Alumni Association please volunteer. We would like to get someone who graduated in the '60s and the '70s, although any help would be appreciated. Give me a call. The election ballot will be sent to members in November.

We are always looking for suggestions that will improve our functions. Please call me or send me a letter. My phone number is 330-494-9519, and my address is 1115 Knoll St SE, North Canton, OH 44709-1174.

I also would like to thank all who have written or called. It is great to hear from you after all these years.

Your board is looking forward to completing a very memorable and successful year.

REMINISCENCES

I wonder how many of you proud graduates of Lehman High School can remember the very large script "L" the Lehman band almost always made at the end of their half-time show at a football game. Probably the only ones who would not remember would be the football players as they were in the locker room listening to the sweet words of their coaches.

Well, I need to confess to you all that the big script "L" was not original with the Lehman band, for I had been the band director at Lake High School just before I came to Lehman, so it was used by the Lake band for two years (I think) before I came to Lehman. I thought why not, so I continued with a few improvements to use it, however, I believe it was done best by the "Lehmanites."

I served as the last high school band director Lehman High School had. I am not sure of this, but I think I was there longer than any of the former directors. I was there 16 years, and during those years I enjoyed the friendship of the administration and the rest of the staff, their willingness to work with me when we had a schedule conflict and to help me in any other way they could. I especially enjoyed working with the students in both band and orchestra. Yes, we were the only high school in the city to have an orchestra. Our Stage Band was second to none in the whole area. I inherited a very fine drum section when I came to Lehman; in fact five of those drummers made up a quintet that won excellent ratings at the state solo and ensemble every year.

Yes, my stay at Lehman High School is one that I will always remember with a smile on my face because it was a very enjoyable time of my life.

I still see former students and teachers who were there when I was, and we enjoy remembering some of the things that we did together.

It was a piece of cake, and you old "cake eaters" understand what I'm saying; I hated to see it end. I thank you all for the privilege.

—John M. Bonar (Mr. B.)

A DARK DAY IN LEHMAN'S HISTORY

by Janet Baldauf Palmer '50, Contributing Editor

A recent visit by Steve Atkinson, class of '74, to the Lehman Alumni booth at the Stark County Fair, put into motion research into a tragic event that took place on Tuesday, October 6, 1936. Steve was able to give us detailed information about his father, William Atkinson, who was a member of the LHS varsity squad hit by lightning during their practice on a field near Worley School that fateful afternoon.

The bolt ripped into the huddle of players at the left of the circle where John Kline was standing. Witnesses said it appeared to travel around the end, stunning William Atkinson, William Miller and Charles Steineck before centering its force on captain Don Correll, killing him.

After receiving treatment at Mercy Hospital, Co-Captain Jack Chatterson said it had been raining about five minutes when lightning began to flash. "All of a sudden, everyone's hands flew into the air. We just fell to the ground. Many couldn't get up. Our legs went bad."

Coach Jim Robinson was knocked out. When he revived, some of the squad members who were standing some distance away were bending over him and some of the boys. "I looked around and most of the boys were on the ground, some still as

death, others writhing in pain. I tried to get up but fell back. I felt dizzy and faint and my left leg wouldn't work."

Automobiles nearby were used to take the injured to Mercy Hospital. Coach Robinson insisted that every boy be taken away before he would allow anyone to assist him. Ever after that, Jim Robinson wore a black tie with a white shirt in commemoration.

The funeral for Don was on Friday, the 9th, at First Christian Church. It was filled to capacity, as Rev. P. H. Welshimer officiated. Don's teammates were pallbearers. Burial was in Warstler Cemetery where 1,000 stood in the rain as young Don, 17, was laid to rest.

The 1938 Polaris held a handsome portrait of Don Correll, in memoriam, who would have been a member of the graduating class.

This marks the 72nd year of the day that will never be forgotten in the annals of Lehman High School history.

The Canton Repository accounts of October 6 and 7, 1936, are credited.

APPRECIATION FOR OUR ADVERTISERS:

AA EXECUTIVE CATERING, INC.

by Janet Baldauf Palmer '50, Contributing Editor

A young man in Lehman High School's class of 1974 has made catering to others his primary focus in life. Michael Kazes, Owner and President of AA Executive Catering, Inc., is a man who knew what he wanted.

His first foray into the restaurant business was in 1979 when he bought a Gyro King along with his mother, Marcie. She was Mike's partner and good "right hand" throughout his 30 years in the restaurant and catering industry until she retired two and a half years ago.

When he owned Michaels Restaurant on Frank Road, he began to cater special functions.

From there the business grew successfully to where AA Executive Catering and The Executive Event Center was moved 10 years ago to 5211 West Tuscarawas in Canton into a beautiful building that houses a Grand Ballroom which seats up to 400 as well as housing smaller rooms. It is a luxurious facility where weddings, social events, business meetings, conferences, etc. are held.

As a full-service caterer the party planners can take over the responsibility of an entire wedding, offering complete packages that include tables, chairs, linen and china rental, as well as securing tent rental, entertainment, florists or other services. It's the customer, though, that chooses how much service is desired.

There are 12 full-time employees. Additional part-timers are used, as needed. Kenneth R. Fagert is the Executive Chef with two other chefs on his staff.

Plate-Make is an international company of Mike's where his partner, Mark Erlitz, a friend from the LHS class of 1976, is Vice President. They market unique banquet carts for the

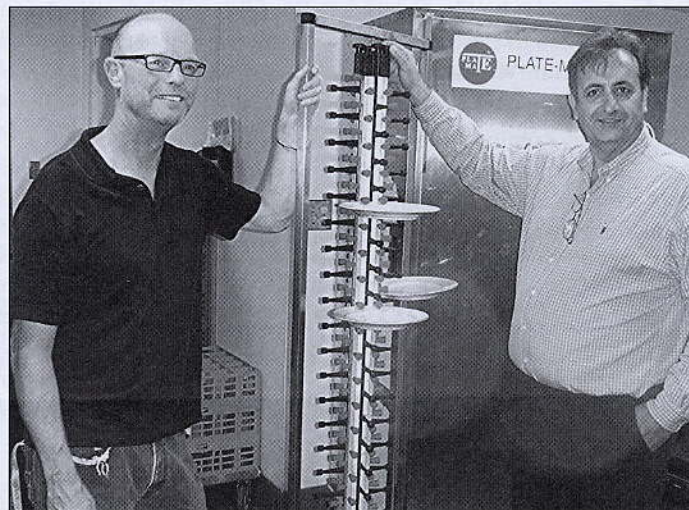

catering industry that keep the food hot until served.

You may have observed that AA Executive Catering handled several of the recent Pro Football Hall of Fame special dinners. They service accounts within a 100 mile radius.

The Executive Event Center serves the public one day each week with a Sunday Brunch from 12 to 2 pm. Take your family and friends to enjoy a delicious meal in a beautiful setting.

Mike and his wife, Sophia, have a daughter, Marisa, who is a freshman at Glen Oak High School.

We appreciate your being one of the Lehman Journal's advertisers, Mike. You are important to us.

Mark Erlitz of the Class of 1976 and Mike Kazes of the Class of 1974 are pictured with their proprietary banquet cart at AA Executive Catering.
