## MESSAGE FROM THE PRESIDENT

Greetings Fellow Alumni:

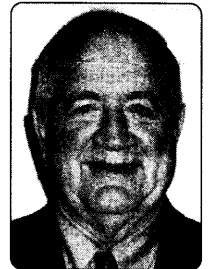

Another busy summer for the Canton Lehman High School Alumni Association. The Scholarship Dinner was held July 13, 2010, at the Canton American Legion Post #44. Attendance was outstanding as we completely filled the room with diners. As a result of your generous Scholarship donations, your Canton Lehman High School Alumni Association Board awarded 52 Scholarships.

The Canton Lehman High School Alumni Association has awarded 418 Scholarships with a value of \$209,000 over the last 15 years. This event makes all of the year's hard work meaningful. All of the individuals who started and kept this organization going through the lean years should be immensely proud. Thank you. And again thanks to all of last year's donors. Especially thanks to Milan McMannis, Norman Jackson and Thomas Little for their generous donations along with the Classes of 1954, 1959 and 1960. And to all of the Alumni who have made donations of any amount. Thanks to all of you, we will again be able to award 50 Scholarships next year. Great work, gang.

The next event that kept us busy was the Football Hall of Fame Kickoff Parade. This year we made the 12th annual march down Market Avenue. We had our usual small group to march. It is disappointing that more alumni don't participate.

On to the picnic. Those of you who did not attend missed a very memorable event. The count this year was 150 who attended. What a great gathering of Lehman Alumni. It was held at the Lake Cable Pavilion on August 19, 2010. Bill and Chris Maronitis did the cooking along with the capable help of Bill and Elaine Bacopoulos and the guidance of Joe and Becky Helaney. I must note that the Alumni Association Board this year elected to provide all the main meals in appreciation for the tremendous support of our Scholarship Fund by the Alumni. The funds for use of the inside facility were generously donated by a Lehman alumna.

That was followed by the Stark County Fair, which is one of our biggest affairs. It is one that requires a lot of support by our members as we have two Alumni in our booth at all times for the entire week. Nickie Wingert, as usual, did a tremendous job of

Often the school is not mentioned and we miss the opportunity to remember they were our classmates. Please notify an Alumni Board member when possible. For out of town alumni, we send a card to a family member when possible.

## HELP NEEDED

We are still in need of an Assistant Editor to assist the Publisher in publishing the *Alumni Journal*. It would be preferred if this person had writing and editing experience and knowledge of Microsoft Word, but we will train. If you would like to assist your Alumni Association in this very important manner, please call Larry Taylor at 330-494-9519.

ensuring that the booth was adequately manned. When personal hardship problems arose, she or Claudia Selby jumped in to provide coverage. The weather was excellent this year. This booth does provide visibility for the Association and proved an opportunity to get new members. I want to thank each and every one of the volunteers who manned the booth.

Just like last year, we conducted a raffle in support of the 4-H Clubs of Stark County and our scholarship fund. Now to the financial report. This year's raffle was a tremendous success and rivaled last year's great effort. Again we raised funds for another five Scholarships. Thanks, alumni, for your support of the raffle.

Next up on the schedule is the Reverse Raffle Dinner on Tuesday, October 19, 2010, at the AA Executive Event Center on West Tuscarawas Street. This is our largest fund raiser for the Scholarship Fund. If you don't have your ticket by now, you better get with one of the Board Members as soon as possible because we sell only 200 tickets, and they are going fast. The ticket costs \$35, and you can win as much as \$2500. The cost of the dinner that night is \$20 each. You do not need to attend, but it is a lot of fun to participate in the event. All profits go to the Scholarship Fund, so please support this effort. Give me a call at 330-494-9519, and I will get a ticket to you if there are any left.

Next will be the Distinguished Alumni Dinner to be held at LaPizzaria at 3656 Dressler Rd. on November 18, 2010. We have a great list of nominations for this year, and the list of the 2010 award winners is in this *Journal*. Tickets for this event are \$20 and can be obtained from any of the Board Members.

Our Polar Party will be held January 21, 2011. We are expecting a very large package for the party. Let's make this the best ever. Start collecting items that can be auctioned. I will be glad to make arrangements to pick up any items.

Don't forget this *Journal* is as good as the members make it. Please send any news item or newspaper articles of news concerning alumni to me or to our post office box, Canton Lehman Alumni Association, PO Box 8175, Canton, Ohio 44711, or e-mail to LehmanJournal@aol.com. Let's keep *The Lehman Journal* the number one alumni paper in the county.

I would like to give a round of applause to Bud Williams, Class of 1950, for doing an audit of the books for the last four years. Being an engineer, Bud does a very thorough job of the audit process. Thanks, Bud.

**LAST. BUT MOST IMPORTANT.** We are in need of some new and fresh help and ideas. We are going to have an election of trustees and officers next month. If you have an interest in the Alumni Association, please volunteer. We would like to get someone who graduated in the '60s and the '70s, although any help would be appreciated. If interested, give Polly Duplain, Chairperson of the Election Committee, a call at 330-875-1713. The election ballot will be sent to members in November.

We are always looking for suggestions that will improve our functions. Please call me or send me a letter. My phone number is 330-494-9519 and my address is 9405 Huntshire Ave NW, North Canton, OH 44720.

I also would like to thank all who have written or called. It is great to hear from you after all these years.

Your board is looking forward to completing a very memorable year.

—Larry Taylor '51

## DISTINGUISHED LHS ALUMNI RECIPIENTS ARE ON WEBSITE

Many of our Lehman classmates have had very distinguished careers, and many have contributed greatly to the betterment of their community. Your Alumni Association started recognizing these individuals in 2001 through its Distinguished Alumni Award program and, through 2009, has honored 64 recipients.

Now you can view all the winners on the Association's website, [www.cantonlehman.org](http://www.cantonlehman.org), and read their biographies on the *Lehman Journal* page. Most likely you will find at least one of these winners was in your class.

Every year, many candidate names are submitted. Although there are a limited number selected annually, all candidates, once submitted, are retained for consideration in following years. Although the 2010 selections will be complete by the time this *Journal* arrives, we encourage you to think of alumni you know who have made a difference. The annual deadline for accepting nominations is September 1 each year, however, they are accepted year round. You can submit your nomination either by using our "Contact Us" form on the website, or by mail. Please include nominee's name, class and a brief description on why you feel they deserve this special recognition.

Thirty-one golfers (together with other attendees) remained for dinner which was catered by Mr. Mike's.

Outing Chairman Dick Burrell wants to thank all the golfers and attendees who participated as well as Don, Brian and their staff for their outstanding organization and assistance.

## THE DEATH OF A CLASSMATE

Recently, a former Lehman graduate, John Costello '60, someone I had known since we were in grade school, passed away. Funny, it seems like only yesterday when we used to play baseball in a vacant lot, rode our bikes downtown, and spent so many hours together doing absolutely nothing. Even though the years have flown by, the memories remain so very current.

John's death was the fourth classmate, that we are aware of, to pass away in the same week. For those of us still living in Canton, we are well aware of the continuous decline in classmates from old LHS. For those of you living elsewhere, the *Journal* tries to keep you up to date.

Ironically, the same day that John was laid to rest the alumni picnic was held at Lake Cable. There were approximately 145 Lehmanites there, covering a very wide spectrum of graduating classes. Stories were exchanged between the oldest and the youngest of grads, but all sharing the common thread of their years at Lehman High School. Many who attended were there because they were attending one of the three reunions occurring that weekend. This was my very first picnic, and I'm sorry I didn't attend in the past. What a great event.

By now you are most likely wondering, "Where is he going with this?" Good question, and I'll try to get to the point.

Lehman High school graduated its first class in 1938 and its last class in 1976. In its 38 years of existence, over 7,000 young people walked its halls. We cheered on our sports teams, drank milk shakes at the PB, went to the dances and even learned a little. So many of our graduates went on to great careers and have contributed to the betterment of their communities. They have left their footprint in the history of the nation. We are proud to say "they went to the same high school I did." Much of their success can be attributed to their early education received at LHS.

However, our numbers are dwindling. We have an obligation to keep the memory of LHS alive, for as long as possible. Your alumni association is making every effort to continue these memories. The question is, what can you do to help. It's very simple.

Continue your membership. It is what funds the *Journal* and the social activities. Become active in helping make fund raisers successful. Be willing to become a trustee and share your financial success with the descendants of your classmates by making donations to the scholarship fund. And finally, keep us informed of what you are doing so that we can pass the information on. You may be surprised who the next phone call comes from.

### ADS NEEDED

Our *Journal* advertisers are the backbone for our *Journal* each issue, and new ones are always welcome. Business card size ads are only \$15 per issue, and hopefully our readers keep the advertisers in mind when in need of their services.

## APPRECIATING OUR ADVERTISERS ...

### A NEW FACE?

by Janet (Baldauf) Palmer, '50, Contributing Editor

Joe Niamtu's definition of success is: "When you go to bed and are excited about going to work on Monday." Dr. Joe Niamtu III fits the bill. As a cosmetic facial surgeon, he looks forward to what each day brings.

He was a Worley school boy who followed the path to Lehman High where he played football and became involved in student leadership ... freshman class president and student body president as a senior. Joe now enjoys attending most of his class reunions and seeing lots of friends. He admits to having been the class clown. Humor has always played a big part in his life.

Biology teacher William Mutchmore was such an inspiration to Joe that he chose to go into medicine as his life's work. He graduated from Kent State University and Case Western Reserve School of Dental Medicine. He performed an intern-

ship at Charlotte Memorial Hospital in North Carolina and a four year residency in Maxillofacial Surgery at the Medical College of Virginia.

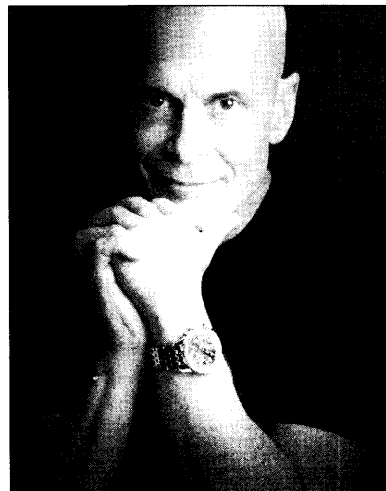

His dad, Joe Niamtu, Jr., instilled good work ethics in him and encouraged him to always pursue excellence. His mom, now deceased, and his dad had four children—Joe, Marilyn, Jim and Lisa.

Joe and his wife, April, live in Richmond, Virginia, where his medical practice is limited to cosmetic facial surgery.

Their two children, Joey, 10, and Evan, 8, both have the severe mental and physical disabilities of cerebral palsy. The reality is that neither child will ever talk or walk, will always be tube-fed, and will always be 100% dependent. Their sole emotions are to laugh or cry. Joe says, "My job is to make them laugh as much as possible." The experiences of April and Joe have made them advocates for children and families with special needs. Pro bono surgery for children and adults is important to him.

Joe's roots remain in Canton, although, in his field of expertise, he lectures and speaks all over the world. A recent honor from the Richmond Magazine announced that Joe was voted "Best Plastic Surgeon in Richmond to Take 20 Years Off."

A successful alumnus of worth and merit, Joe Niamtu is also a *Journal* advertiser whom we appreciate.

## 2010 SCHOLARSHIP DINNER

This year's scholarship dinner was another success. We were fortunate to have 32 scholarship recipients present at the dinner on July 13, 2010, with many of the other recipients represented by family members. Photos of the recipients who attended are on this page.

It was a wonderful evening with a delicious dinner prepared by Gabe's Meat and Deli. My thanks to the officers and trustees and the scholarship committee for their help with the preparation and setup for the evening, and continued thanks to all who donated to the scholarship fund and made it possible for us to award the 52 scholarships this year. We encourage you to continue with your donations so that we can again give at least 50 scholarships next year.

Vice President, CLHSAA,  
and Chairperson,  
Scholarship Committee

## ALUMNI CHAIRPERSONS

If your class is planning a reunion in 2011, please let us know in order so that we can post it on our website and Facebook. We will also publish this in the January issue of the *Journal* which is the only issue mailed to all LHS classmates for whom we have addresses. We will publish the details of the reunion and also the name of missing classmates if space permits.

We would also like to set up a small table one night of the reunion with memorabilia and membership information. We have many out-of-area alumni who are not aware of the Alumni Association and its good efforts, and this is an opportunity for them to learn of our existence and activities.

## THE GATE PROJECT ... AT FAWCETT STADIUM ... A LASTING TRIBUTE TO CANTON CITY SCHOOLS

The Canton City Schools last year launched a project whose goal is to immortalize the heritage of the past and present Canton City High Schools. They are going to erect new gate entrances at each gate at Fawcett Stadium. Each school has been designated one of the entrance gates. We have selected the north gate since it is the one to the north. It is the gate that looks directly at the Pro Football Hall of Fame. Each gate will have a large logo of its school's mascot which in our case will be a Polar Bear as shown at right.

The immediate entrance way will be paved in bricks or pavers (one of Stark County's largest past industries was brick manufacturing). A total of 450 brick sales are needed to complete the project which includes the gate entrance. Enough bricks sold in Phase One

Lehman High School  
Gates 3 and 4 Behind Hall of Fame

allowed for the first bricks to be laid. At this time 58 bricks have been sold for the Canton Lehman effort. At left is a sample of the bricks that have been laid at the Canton Lehman High School Gate.

This will be a continuing effort, and, as bricks are sold, the blank bricks will be removed and replaced by newly engraved bricks. Bricks are on sale with names of individuals or companies engraved in the brick. In order to fund the entire project, bricks and 8x8 pavers in red brick, limestone or granite are available for purchase. Individual bricks are available at a cost of \$50.00 per brick. Paver donor levels range from \$250 to \$1000. Bricks can be engraved with three lines of text fitting 14 characters across. Pavers can be engraved with six lines of text fitting 14 characters across OR you can choose to include a graphic on the paver – in that case, it will fit three lines of text with 14 characters across. The Paver Donor Levels: Silver, Red Brick, \$250; Gold, Limestone, \$500; Platinum, Granite, \$1000+.

Forms with instructions can be obtained by sending a request to Canton Lehman Alumni Association, PO Box 8175, Canton, OH 44711 or by going to: [www.cesdistrict.org](http://www.cesdistrict.org) and clicking on the Gate Project Information on the left side. Questions or requests for forms can also be directed to Robyn Matulich at 330-435-2574. Make checks payable to:

Canton City Schools. Please write in check memo: Brick Project. Send payment with order form to: Administrative Center, 1312 5th Street SW, Canton, Ohio 44707. Attn: Jeff Gruber. For additional information, please call Jennifer Keaton at 330-453-9940.

## LOOK FOR YOUR ELECTION EDITION *JOURNAL* IN NOVEMBER, WHICH WILL FEATURE A VERY EXCITING ITEM TO BE RAFFLED AT THE POLAR PARTY!

### ENTERTAINMENT BOOKS

The Alumni Association is again selling the popular Entertainment Books with all proceeds benefiting the Scholarship Fund. Books may be ordered for other cities, and we still get credit for the sale. These books are shipped directly to the buyer. This may be of interest to alumni who are "snowbirds" and spend the winter in warmer states, and to parents or

children who have family in other states and are searching for an appropriate gift. The books pay for themselves within the first few times they are used and make great gifts for the person who has everything. The price of the Canton edition is \$30.00. Call Larry Taylor at 330-494-9519 or Claudia Selby at 330-265-3987 to order yours.

### REMEMBER THAT...

### CHANGE OF ADDRESS

If you move, remember to put the Alumni Association on your list for address change notification.

### LEHMAN ANNUALS

We have had a number of requests for annuals from alumni who either did not purchase them at the time of their graduation or have lost or had them destroyed in the course of moving, etc.

We have now inventoried the annuals which we have and find we have about 160 duplicates which we could sell. Included are annuals for each graduation year except 1967 and 1973. We will be happy to sell these in exchange for a suitable contribution to the scholarship fund.

If you are interested, please contact President Larry Taylor at 330-494-9519 or by e-mail at [larrytaylor3336@yahoo.com](mailto:larrytaylor3336@yahoo.com)
